ORDER

S.O. 3728.—Mr. Mukesh Chandra Gupta, 147, Pantyr Hoel, Neath, W. Glamorgan, S. A. II-2HB, U.K., was granted a Customs Clearance Permit No. P/J/3077966 dated 14-10-1988 for Rs. 1,20,500 (Rupees One lakh twenty thousand and five hundred

only) for import of One Audi Coupe FI Petrol 2144 cc Car, Chassis No. 85DA194730, Engine No. KE-015744. The applicant has applied for issue of Duplicate Copy of the above mentioned Customs Clearance Permit on the ground that the original CCP has been misplaced/lost. It has further been stated that the original CCP was not registered with any Customs authority and as such the value of the CCP has not been utilised at all.

2. In support of his contention, the licensee has filed an affidavit duly sworn before appropriate judicial authority. I am accordingly satisfied that the original CCP No. P/J/3077966 dt. 14-10-1988 has been lost by the applicant. In exercise of the powers conferred under Sub-Clause 9(cc) of the Import (Control) Order, 1955, dated 7-12-1955 as amended from time to time, the said original CCP No. P/J/3077966 dt. 14-10-1988 issued to Mr. Mukesh Chandra Gupta is hereby cancelled.

3. A duplicate copy of the Customs Clearance Permit is being issued to the party separately.

फा. आ. 3731—यतः केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि गुजरात राज्य में ई.पी.एस. नवासन से एन.के.सी.टी.एफ. तक पेट्रोलियम के परिवहन के लिए पाइपलाइन तेल तथा प्राकृतिक गैस आयोग द्वारा बिछाई जानी चाहिए।

और यतः यह प्रतीत होता है कि ऐसी लाइनों को बिछाने के प्रयोजन के लिए एतद्वारा अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अब पेट्रोलियम और खनिज पाइप लाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम 1962 (1962 का 50) की धारा 3 की उपधारा द्वारा (1) प्रवृत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आग्रह एतद्वारा घोषित किया है।

इसमें कि उक्त भूमि में हितवश कोई व्यक्ति, उन भूमि के नीचे पाइप लाइन बिछाने के लिए, आशेष, सक्षम प्राधिकारी, तेल तथा प्राकृतिक गैस आयोग निर्माण और देखभाल प्रभाग, मकरपुरा, रोड

बड़ोदा-9 को उस अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आशेष करने वाला हर व्यक्ति विनिवृत्तः यह भी कथन करेगा कि क्या वह चाहता है कि उसकी सुनवाई व्यक्तिगत रूप से हो या किसी बिधि व्यवसायी के मार्फत।

New Delhi, the 8th December, 1988

S.O. 3731.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from EPS Nandasan to N. K. CTF in Gujarat State pipeline should be laid by the Oil & Natural Gas Commission.

And whereas it appears that for the purpose of laying such pipeline, it is necessary to acquire that right of user in the land described in the schedule annexed hereto :—

Now, therefore, in exercise of the powers conferred by sub-section (1) of the Section 3 of the Petroleum and Minerals Pipelines (Acquisition of Right of User in the land) Act, 1962 (50 of 1962), the Central Government hereby declares its intention to acquire the right of user therein;

Provided that any person interested in the said land may, within 21 days from the date of this notification, object to the laying of the pipeline under the land to the Competent Authority, Oil & Natural Gas Commission, Construction & Maintenance Division, Makarpura Road, Vadodara (390 009).

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by legal Practitioner.

का.प्रा.3755:—यहाँ केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में बामसू ने हरियाणा राज्य में बगौली (काला) तक पेट्रोलियम के परिवहन के लिए पाइप लाइन स्थापित कराने का प्रयत्न करने के लिए बिछाई जानी चाहिए।

और यहाँ यह प्रतीत होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतद्वाचक अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अब पेट्रोलियम और खनिज पाइप लाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए, केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आशय एतद्द्वारा घोषित किया है।

अतः कि उक्त भूमि में हितवश कोई व्यक्ति, उस भूमि के नीचे पाइप लाइन बिछाने के लिए सक्षम, तत्पक्ष प्राधिकारी, स्थापित कराने का प्रयत्न करने के लिए बिछाई जानी चाहिए।

कारपोरेशन लिमिटेड, ए-30, सैन कालोनी, बनीपार्क, जयपुर-16 को इस अधिमूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा प्रावधान करने वाला हर व्यक्ति विनिश्चिततः यह भी कल्प करेगा कि क्या वह चाहता है कि उसकी सूचवाई व्यक्तिगत हो या किसी विधि व्यवसायी की मति।

[स. मो-31015/6/88-मो.भार.-I]

New Delhi, the 15th December, 1988

S.O. 3755.—Whereas it appear to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user there in.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competant Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

[No. O-31015/6/88-ORI]

का. प्र. 3758--यतः केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में वाकसू से हटियाणा राज्य में बहोली (करनाल) तक पैट्रोलियम के परिवहन के लिए पार्ष्व लाइन इन्डियन ऑयल कॉरपोरेशन लिमिटेड द्वारा बिछाई जागी चाहिए।

और यतः यह प्रस्तावित होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतद्वाक्य धनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अब पैट्रोलियम और खनिज पाइप लाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आशय एतद्द्वारा घोषित किया है।

यद्यपि कि उक्त भूमि में हितबद्ध कोई व्यक्ति, उस भूमि के नीचे पाइप लाइन बिछाने के लिए आक्षेप सक्षम अधिकारी, इण्डियन ऑयल कॉर्पोरेशन लिमिटेड ए-30, सैन कोलोनी, बनीपार्क, जयपुर-16 को इस अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आक्षेप करने वाला हर व्यक्ति विनिश्चितः यह भी कथन करेगा कि क्या वह चाहता है कि उसकी सुनवाई व्यक्तिगत हो या किसी विशिष्ट व्यवसायी की संज्ञा में।

[सं. ओ.-31015/6/88-ओ. प्रार.-I]

S.O. 3756.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein :

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competent Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

[No. O-31015/6/88-OR-I]

आज के अधिनियम के अन्तर्गत राष्ट्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में बाकसू से हरियाणा राज्य में बहोली (करनाल) तक वैट्रोलियम के परिवहन के लिए पाइप लाइन इन्फ्रिस्ट्रक्चर कॉर्पोरेशन लिमिटेड द्वारा बिछाई जानी चाहिए।

और यह प्रतीत होता है कि ऐसी साइड को बिछाने के प्रयोजन के लिए एतद्वाक्य अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अब वैट्रोलियम और कनिष्ठ पाइप लाइन (भूमि में उपयोग के अधिकार का अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रवृत्त शक्तियों का प्रयोग करते हुए केंद्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आदेश एतद्वाक्य घोषित किया है।

यद्यपि कि उक्त भूमि में हितवज्ज कोई व्यक्ति, उक्त भूमि के नीचे पाइप लाइन बिछाने के लिए आक्षेप सहित अधिकारी, इन्फ्रिस्ट्रक्चर कॉर्पोरेशन लिमिटेड, ए-30, सैन कॉलोनी, बंगो पार्क, जयपुर-18 को इस अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आक्षेप करने वाला हर व्यक्ति विनिश्चित: यह भी कबल करेगा कि क्या वह चाहता है कि उक्त, सुनवाई व्यक्तिगत हो या किसी विधि व्यवसायी की मार्फत।

[सं. नो.-31015/6/88-नो. प्रार.-I]

S.O. 3757.—Whereas it appeared to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited;

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto;

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competant Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

[No. O-31015/(6)/88-CR-1]

का.प्र. 3758:-यतः केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में चाकसू से हरियाणा राज्य में बहोली (करनाल) तक पेट्रोलियम के परिवहन के लिए पाईप लाइन इण्डियन प्रॉयल कॉर्पोरेशन लिमिटेड द्वारा बिछाई जाने चाहिए

और यतः प्रतीत होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतदुपायधन अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः अब पेट्रोलियम और खनिज पाईप लाईन भूमि में उपयोग के अधिकार का अर्जन (अधिनियम, 1962) (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना प्राक्तन एतदुपाय अर्जित किया है।

अतः कि उक्त भूमि में हितवन् कोई व्यक्ति, उस, भूमि के नीचे पाईप लाइन बिछाने के लिए आक्षेप सक्षम अधिकारी, इण्डियन प्रॉयल कॉर्पोरेशन लिमिटेड ए-30, सैन कॉलोनी बर्मापार्क, जयपुर-15 को इस अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आक्षेप करने वाला हर व्यक्ति विनिश्चित : यह भी कथन करेगा कि क्या वह चाहता है कि उसकी सुनवाई व्यक्तिगत : हो या किसी विधि व्यवसायी की मार्फत।

S.O. 3758.—Whereas it appear to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user there in.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competant Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specially whether he wishes to be heard in person or by Legal Practitioner.

का. भा. 3759—यन. केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में चाकसू में हरियाणा राज्य में बहोली (करनाल) तक पैट्रोलियम के परिवहन के लिए पाइप लाइन इण्डियन आयल कॉर्पोरेशन लिमिटेड द्वारा बिछाई जानी चाहिए।

और यतः यह प्रतीत होता है कि ऐसी लाइन बिछाने के प्रयोजन के लिए एतद्पाठ्य अनुसूची में वर्णित भूमि में उपयोग का अधि-कार अर्जित करना आवश्यक है।

अतः अब पैट्रोलियम और खनिज पाइप लाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने इसमें उपयोग का अधिकार अर्जित करने का अपना आग्रह एतद्द्वारा घोषित किया है।

बशर्ते कि उक्त भूमि में हिनबद्ध कोई व्यक्ति, उस भूमि के नीचे पाइप लाइन बिछाने के लिए आक्षेप सक्षम अधिकारी, इण्डियन आयल कॉर्पोरेशन लिमिटेड ए-30, नैन कालोनी, बनीपाक, जयपुर—16 को इस अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आक्षेप करने वाला हर व्यक्ति जिनिदिष्टतः यह भी कथन करेगा कि क्या वह चाहता है कि उसकी सुनवाई व्यक्तिगत हो या किसी विधि व्यवसायी की मार्फत।

[सं. जो.-31015/5/88—ओ. मार.-I]

S.O. 3759.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user there in.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competant Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

[No. O-31015/5/88-OR-I]

का. प्रा. 3760. —यतः केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्वान राज्य में वाकफ़ से कुरियाया राज्य में बहोली (करमाल) तक पैट्रोलियम के परिवहन के लिए वाह्य लाइन इन्डियन आयल कॉरपोरेशन लिमिटेड द्वारा बिछाई जानी चाहिये।

और यतः यह प्रतीत होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतद्वारा अनुसूची में वर्णित भूमि में उपयोग का अधिकार प्रदान करना आवश्यक है।

यतः अब पैट्रोलियम और खनिज वाह्य माध्यम (भूमि में उपयोग के अधिकार का अर्थ) अधिनियम, 1982 (1982 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार प्रदान करने का अर्थ प्राप्त एतद्वारा घोषित किया है।

यतः कि उक्त भूमि में हिलवड कोई व्यक्ति, उक्त भूमि के नीचे वाह्य लाइन बिछाने के लिए प्रत्येक सत्र अधिकारी, इन्डियन आयल कॉरपोरेशन लिमिटेड ए-30, जेन कालोनी, बनोपार्क, जयपुर-16 को इस अधिनियम की धारा 3 से 21 धारा के अन्तर्गत कर सकेंगे।

और ऐसा धारण करने वाला हर व्यक्ति निर्धारित: यह भी कथन करेगा कि क्या यह वास्तविक है कि उसकी सुसार्थ व्यक्तिता: ही या किसी निधि धनदायी की मार्फत।

[सं० बी० 31015/5/88 आ०अर०-I]

S.O. 3760.—Whereas it appear to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user there in.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competant Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

का. भा. 3761—यतः केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्वान राज्य में वाकसू से हरियाणा राज्य में बहोली (करनाल) तक पेट्रोलियम के परिवहन के लिए पार्श्व लाइन एम्ब्रियन ऑयल कॉरपोरेशन लिमिटेड द्वारा बिछाई जानी चाहिए।

और यतः यह प्रतीत होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतदुपाय्य अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः राज पेट्रोलियम और खनिज पार्श्व लाइन (भूमि में उपयोग के अधिकार का अर्जन (अधिनियम, (1962) (1962 का 50) की धारा 3 को उपधारा (1) द्वारा प्रवक्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आग्रह एतद्वारा घोषित किया है।

यद्यपि कि उक्त भूमि में हितबद्ध कोई व्यक्ति, उस भूमि के भीचे पार्श्व लाइन बिछाने के लिए आशेष सक्षम अधिकारी, एम्ब्रियन ऑयल कॉरपोरेशन लिमिटेड ए-30, सैन कॉलोनी, वर्न पार्क, जयपुर-10 को इस अधिनियम की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आशेष करने वाला हर व्यक्ति विनिश्चितः यह भी कबन करेगा कि क्या वह चाहता है कि उसको मुनबार्ड व्यक्तिगत हो या किसी विधि व्यवसायी की मार्फत।

[सं. अ. 31015/3/88-ओ. प्रार. प्रार.]

S.O. 3761.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the

right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competent Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

[No. O-31015/3/88-ORI]

का. भा. 3762.—यस: केन्द्रीय सरकार की यह प्रतीत होता कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में बाकसू से हरियाणा राज्य में बहोली (करनाल) तक पैट्रोलियम के परिवहन के लिए पाइप लाइन इण्डियन ऑयल कारपोरेशन लिमिटेड द्वारा बिछाई जानी चाहिए।

और अतः यह प्रतीत होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतद्वाक्य अनुसूची में वर्णित भूमि में उपयोग का अधिकार सजित करना आवश्यक है।

अतः अब पैट्रोलियम और खनिज पाइप लाइन (भूमि में उपयोग के अधिकार का अधिनियम, 1962) (1962 का 50) की धारा 3 की उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करना हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार सजित करने का अपना आशय एतद्द्वारा घोषित किया है।

इसमें कि उक्त भूमि में हितबद्ध कोई व्यक्ति, उस भूमि के नीचे पाइप लाइन बिछाने के लिए आंशिक सक्षम अधिकारी, इण्डियन ऑयल कारपोरेशन लिमिटेड, ए-30, सैन कालोनी, बनीपाक, जयपुर-16 को इस अधिसूचना की तारीख से 21 दिनों के भीतर कर सकेंगे।

और ऐसा ध्यान करने वाला हर व्यक्ति विनिर्दिष्टतः यह भी कथन करेगा कि क्या यह चाहता है कि उसकी सुनवाई व्यक्तिगत हो या किसी निम्न व्यवसायी की माध्यम।

[सं. जी. 31015/3/88-प्रो. प्रार. चर्हि.]

S.O. 3762.—Whereas it appears to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And, whereas, it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein :

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competent Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

और यतः, यह प्रतीत होता है कि ऐसी लाईन को बिछाने के प्रयोजन के लिए एतदुपाय्य अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

अतः, अब, पैट्रोलियम और खनिज पार्श्व लाईन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, -1982 (1992 का 50) की धारा 3 को उपधारा (1) द्वारा प्रदत्त शक्तियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आग्रह एतद्वारा घोषित किया है।

बनते कि उक्त भूमि में हिउबड़ कोई व्यक्ति, उस भूमि के नीचे फाईप लाईन बछाने के लिए आशेष सख्त अधिकारी, इन्डियन मायल कारपोरेशन लिमिटेड ए-30, सैन कॉलोनी, बनोपार्क, जयपुर-16 को इस अधिसूचना की तारीख से 21 दिन के भीतर कर सकेगा।

और ऐसा आशेष करने वाला हर व्यक्ति जिनिफरवुड: यह भी कथन करेगा कि क्या वह चाहता है कि उसकी सुनवाई व्यक्तिगत हो या किसी विधि व्यवसायी को मार्केट।

[सं. सी-31015/3/88-सी आर आई]

S.O. 3763.—Whereas it appear to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And, whereas, it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user therein :

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competant Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

[No. O-31015/3/88-ORI]

का.आ. 3764-यस: केन्द्रीय सरकार को यह प्रतीत होता है कि लोकहित में यह आवश्यक है कि राजस्थान राज्य में बाकसू से हरियाणा राज्य में बहीनी (करनाल) तक पेट्रोलियम के परिवहन के लिए पाइप लाइन इण्डियन आयल कारपोरेशन लिमिटेड द्वारा विछाई जानी चाहिए।

और यह प्रतीत होता है कि ऐसी लाइन को बिछाने के प्रयोजन के लिए एतद्पाठ्य अनुसूची में वर्णित भूमि में उपयोग का अधिकार अर्जित करना आवश्यक है।

यतः अब पेट्रोलियम और त्रिज पाइप लाइन (भूमि में उपयोग के अधिकार का अर्जन) अधिनियम, 1962 (1962 का 50) की धारा 3 की उपधारा (1) द्वारा उक्त ज़मिनियों का प्रयोग करते हुए केन्द्रीय सरकार ने उसमें उपयोग का अधिकार अर्जित करने का अपना आशय एतद्द्वारा घोषित किया है।

इसलिए कि उक्त भूमि में हितबद्ध कोई व्यक्ति, उस भूमि के नीचे पाइप लाइन बिछाने के लिए पाइप सख्त अधिकारी, इण्डियन आयल कारपोरेशन लिमिटेड ए-30, मेन कालोनी, बनीपार्क, जयपुर-16 को इस अधिवृत्त की तारीख से 21 दिनों के भीतर कर सकेगा।

और ऐसा आशय करने वाला हर व्यक्ति विनिश्चित यह भी कथन करेगा कि क्या वह चाहता है कि उसकी सुनवाई व्यक्तिगत रूप से हो या किसी विधि व्यवसायी की मार्फत।

[सं. बी-31015/4/88-ओ मार माई]

वी. गोपालाकृष्ण, एडवर सचिव

S.O. 3764.—Whereas it appear to the Central Government that it is necessary in the public interest that for the transport of Petroleum from Chaksu in the State of Rajasthan to Baholli (Karnal) in the

State of Haryana, pipeline should be laid by Indian Oil Corporation Limited.

And whereas it appears that for the purpose of laying such pipeline it is necessary to acquire the right of user the land described in the schedule annexed hereto.

Now, therefore, in exercise of the powers conferred by sub-section (i) of Section 3 of the Petroleum and Minerals Pipeline (Acquisition of Right of User in the Land) Act, 1962 (50 of 1962) the Central Government hereby declares its intention to acquire the right of user there in.

Provided that any person interested in the said land may within 21 days from the date of this notification, object to the laying of pipeline under the land to the Competent Authority, Indian Oil Corporation Limited, A-30, Sen Colony, Bani Park, Jaipur-302016.

And every person making such an objection shall also state specifically whether he wishes to be heard in person or by Legal Practitioner.

MINISTRY OF LABOUR

New Delhi, the 13th December, 1988

S.O. 3782.—In pursuance of Section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby published the following award of the Industrial Tribunal, Ahmedabad, as shown in the Annexure in the Industrial dispute between the employers in relation to the management of State Bank of India KHO, Ahmedabad and their workmen, which was received by the Central Government.

ANNEXURE

BEFORE SHRI S. J. SHETH, PRESIDING OFFICER,
INDUSTRIAL TRIBUNAL, AHMEDABAD

Ref. (ITC) No. 65 of 1987

ADJUDICATION

BETWEEN

State Bank of India, KHO Ahmedabad.

AND

The workmen employed under it.

In the matter of termination of services of Shri S. M. Desai, Hamal-cum-waterman.

APPEARANCES :

Shri K. C. Shah, Advocate & Shri M. J. Sheth, Advocate with Shri S. T. Shah, Officer-in-charge, Legal Cell, State Bank of India—for the Bank.

Shri S. M. Desai, concerned workman—in person.

AWARD

The Government of India, Ministry of Labour, New Delhi by its Order No. L-12012/545/86-D. II(A) dated 3rd December, 1987 referred an Industrial dispute between the Man-

agement of State Bank of India and the workmen employed under it for adjudication under the provisions of Section 10(1)(d) of the I.D. Act, 1947 to any Tribunal at Ahmedabad and it has been referred to me by the President, Industrial Court, Ahmedabad. The dispute in question is as follows:—

"Whether the management of State Bank of India, KHO Ahmedabad is justified in terminating the services of Shri S. M. Desai, Hamal-cum Waterman without following the provisions of the I.D. Act? If not, what relief the workman is entitled to?"

2. The concerned workman, Shri S. M. Desai has filed his statement of claim dated 3rd January, 1988 which is at Ex. 3. He has stated therein that he was employed as Hamal by the Bank on 1st August, 1979 and was discharged from service on 13th July, 1983 without giving him any notice or without giving him any compensation under the provisions of the I.D. Act, 1947, and as such he is entitled to reinstatement with full back wages.

Bank has filed its written statement dated 10th February, 1988 at Ex. 6. It has admitted that the workman concerned had joined the Bank as Hamal on 1st August, 1979. It has however denied that he was discharged from service on 13th July, 1983. According to it the concerned workman Shri Desai, had voluntarily stopped attending his duties and had not reported for the same in spite of several letters written to him and a public notice issued in a Gujarati daily. It is, therefore, submitted that the concerned workman is not entitled to get any relief.

3. During the pendency of the Reference both the parties have come to an agreement and have filed a joint purshis at Ex. 15 containing the terms of settlement and prayed that an Award may be passed in terms of settlement. I have gone through the terms of settlement and I find that it is most reasonable and in the interest of the concerned workman. I, therefore pass the following Award.

ORDER

The parties should act in terms of settlement as per Ex. 15. The copy of the terms of settlement at Ex. 15 may be kept along with this Order. No order as to cost.

TRIBUNAL (GUJARAT) AT AHMEDABAD

Ref. (ITC) No. 65 of 1987

BETWEEN

State Bank of India.

AND

The workmen employed under it.

In the matter of termination of services of Shri S. M. Desai,
Hamal-cum-waterman

The parties beg to submit as under :—

1. That at the suggestion of the Hon'ble Tribunal, Shri S. M. Desai, Hamal-cum-Waterman, the

concerned has agreed for appointment as Hamal-cum-waterman as a fresh employee. He has further agreed that he will not be entitled to any wages and/or compensation for the intervening period from 13th July, 1983 till he is taken up as a fresh Hamal-cum-waterman in the Bank. The seniority of Shri S. M. Desai, the workman concerned for the purpose of in-cadre/out of cadre promotion and for any other purposes would be reckoned from the date he is taken up as a fresh employee in the Bank.

2. Since Shri S. M. Desai, the workman concerned has agreed to accept the suggestion of the Hon'ble Tribunal the Bank has also accepted the suggestion made by the Hon'ble Tribunal and agrees to appoint Shri S. M. Desai as a fresh employee on the terms and conditions stated in para (1) above.
 3. Shri S. M. Desai agrees that he would not be entitled to any of the claims against the Bank regarding his prior employment and termination thereof in view of the aforesaid settlement.
 4. An award in terms hereof may please be made.

इस मामले में छूट को शून्यकारी प्रभाव देना आवश्यक हो गया है क्योंकि छूट के आवेदन संबंधी प्रक्रिया में समय लग गया था। किन्तु यह प्रमाणित किया जाता है कि छूट को शून्यकारी प्रभाव देने से किसी व्यक्ति के हित पर प्रतिकूल प्रभाव नहीं पड़ेगा।

New Delhi, the 13th December, 1988

S.O. 3786.—In exercise of the powers conferred by section 88 read with section 91A of the Employees' State Insurance Act, 1948 (34 of 1948) the Central Government hereby exempts the regular employees of the Bharat Heavy Plate and Vessels Limited, Visakhapatnam, from the operation of the said Act for a period with effect from 1st October, 1987 upto and inclusive of the 30th September, 1991.

The above exemption is subject to the following conditions, namely:—

(1) The aforesaid factory wherein the employees are employed shall maintain a register showing the names and designations of the exempted employees;

(2) Notwithstanding this exemption, the employees shall continue to receive such benefits under the said Act to which they might have become entitled to on the basis of the contributions paid prior to the date from which exemption granted by this notification operates;

(3) The contributions for the exempted period, if already paid, shall not be refunded;

(4) The employer of the said factory shall submit in respect of the period during which that factory was subject to the operation of the said Act (hereinafter referred to as the said period), such returns in form and containing such particulars as were due from it in respect of the said period under the Employees' State Insurance (General) Regulations, 1950;

(5) Any inspector appointed by the Corporation under sub-section (1) of section 45 of the said Act, or other official of the Corporation authorised in this behalf shall, for the purpose of—

(i) verifying the particulars contained in any return submitted under sub-section (1) of section 44 for the said period; or

(ii) ascertaining whether registers and records were maintained as required by the Employees' State Insurance (General) Regulations, 1950 for the said period; or

(iii) ascertaining whether the employees continue to be entitled to benefits provided by the employer in cash and kind being benefits in consideration of which exemption is being granted under this notification; or

(iv) ascertaining whether any of the provisions of the Act had been complied with during the period when such provisions were in force in relation to the said factory be empowered to:—

(a) require the principal or immediate employer to furnish to him such information as he may consider necessary; or

(b) enter any factory, establishment, office or other premises occupied by such principal or immediate employer at any reasonable time and require any

person found incharge thereof to produce to such inspector or other official and allow him to examine such accounts, books and other documents relating to the employment of persons and payment of wages or to furnish to him such information as he may consider necessary; or

(c) examine the principal or immediate employer, his agent or servant, or any person found in such factory, establishment, office or other premises or any person whom the said inspector or other official has reasonable cause to believe to have been an employee; or

(d) make copies of or take extracts from, any register, account book or other document maintained in such factory, establishment, office or other premises.

Order No. L-40012/87-D. II(B), dated 20-1-1987 of the Ministry of Labour, Government of India, New Delhi (In I.D. 16/1987).

These disputes coming on for final hearing on Tuesday, the 2nd day of August, 1988 upon perusing the reference claim and counter statements and all other material papers on record and upon hearing the arguments of Thiru S. Kumarasamy, Advocate appearing for the Workmen in both the disputes and of Thiruvalluvar R. S. Subramanian, B. Venugopal and K. Radhakrishnan, Advocates for the Management in both the dispute and these disputes having stood over till this day for consideration, this Tribunal made the following

COMMON AWARD

In I.D. 15/1987 :

This dispute between the workman and the Management of Overseas Communication Service Departmental Canteen, Madras-2 arises out of a reference under Section 10(1)(d) of the Industrial Disputes Act, 1947 by the Government of India in its Order No. L-42012/52/86-D. II(B), dated 20-1-1987 of the Ministry of Labour for adjudication of the following issue :—

“Whether the management of Overseas Communication Services, Departmental Canteen, Madras, is justified in terminating the services of Shri M. Rajendran w.e.f. 27-1-86 ? If not, to what relief and from what date, the workman is entitled to ?”

2. The Petitioner in his claim statement states that he joined the services of the Respondent as a Bearer from 1-6-1983. From 1-12-1984, he was given time scale of pay in the scale of Rs. 196-3-232. To his surprise, his services were terminated by the Respondent by its letter dated 29-1-1986 with effect from 31-1-1986. He was neither paid a month's wage nor given a month's notice prior to the termination. The order of termination states that the termination was due to the reason of reduction in the canteen activities and increase in financial commitments. Hence the Petitioner was forced to move the Government conciliation machinery by way of a petition under Section 2-A of the Industrial Disputes Act. The conciliation efforts failed. The termination of the Petitioner is in contravention of Section 25-F of the Industrial Disputes Act, 1947 and it is not genuine and bonafide. The order of termination is illegal and inoperative since the Respondent failed to comply with Section 25-F of the Industrial Disputes Act. The Respondent is authorised to employ 21 persons whereas they actually employed only 18 persons. Subsequent to the termination of the Petitioner, Respondent has employed fresh recruits which is also contrary to Section 25-H of the Industrial Disputes Act. It is only an unfair labour practice in terminating the Petitioner. The termination is unjustified and illegal.

3. The Respondent in their counter statement states that the Respondent's Canteen is not an industry within the meaning of Section 2(i) of the Industrial Disputes Act, 1947 and as such it does not come within the purview of this Tribunal. The canteen employees are only civil employees and this Tribunal has no jurisdiction to adjudicate the reference. The Petitioner was appointed as a Wash-Boy on Temporary basis to meet the requirement of extra services then required and was liable to be terminated at any time. The Managing Committee in its meeting held on

27-1-1986 reviewed the activities of Canteen and came to the conclusion that there was surplus staff and to improve the working efficiency of the canteen decided to terminate the services of the junior-most temporary employees. The Petitioner was also offered one month salary in lieu of one month notice. He refused to take the same. The canteen was not in a position to bear the extra additional staff against the present employees. The Respondent-Canteen had been compelled to resort to the retrenchment step due to the financial position and constraints of the Respondent-Canteen. No fresh recruits to the post of Wash Boy subsequent to the termination of the Petitioner have been appointed. Only a cook was appointed subsequent to the termination of the Petitioner in the place of a Cook who resigned. Hence the petition is liable to be dismissed.

In I.D. No. 16/1987.

4. This dispute between the workman and the Management of Overseas Communication Services, Departmental Canteen, Madras-2 arises out of a reference under Section 10(1)(d) of the Industrial Disputes Act 1947 by the Government of India in its Order No. L-40012/1/87-D. II(B), dated 20-1-1987 of the Ministry of Labour for adjudication of the following issue :-

"Whether the management of Overseas Communication Services Departmental Canteen, Madras, is justified in terminating the services of Shri K. Balani, w.e.f. 27-1-86? If not, to what relief and from what date the workman is entitled to?"

5. The Petitioner in his claim statement states that he joined the services of the Respondent as a Wash Boy on 1-3-1984. From 1-3-1985, he was given time scale of pay in the scale of Rs. 196-3-232. To his surprise, his services were terminated by the Respondent by its letter dated 29-1-1986 with effect from 31-1-1986. He was neither paid a month's wage nor given a month's notice prior to the termination. The order of termination states that the termination was due to the reason of reduction in the canteen activities and increase in financial commitments. Hence the petitioner was forced to move the Government conciliation machinery by way of a petition under Section 2-A of the Industrial Disputes Act since the conciliation officer failed. The termination of the Petitioner is in contravention of Section 25-F of the Industrial Disputes Act, 1947 and they are not genuine and bona fide. The order of termination is illegal and in-operative since the Respondent failed to comply with Section 25-F of the Industrial Disputes Act. The Respondent is authorised to employ 21 persons whereas they actually employed only 18 persons. Subsequent to the termination of the Petitioner, the Respondent has employed fresh recruits which is also contrary to Section 25-H of the Industrial Disputes Act. It is only unfair labour practice in terminating the Petitioner. The termination is unjustified and illegal.

6. The Respondent in their counter statement states that the Respondent's Canteen is not an industry within the meaning of Section 2(j) of the Industrial Disputes Act, 1947 and as such it does not come within the purview of this Tribunal. The canteen employees are only civil employees and this Tribunal has no jurisdiction to adjudicate the reference. The Petitioner was appointed as a Wash-boy on temporary basis to meet the requirement of extra services then required and was liable to be terminated at any time. The Managing Committee in the meeting held on 27-1-1986 revised the activities of canteen and came to the conclusion that there was surplus staff and to improve the working efficiency of the canteen decided to terminate the services of the junior-most temporary employees. The Petitioner was also offered one month salary in lieu of one month notice. He refused to take the same. The canteen was not in a position to bear the extra additional staff against the present employees. The Respondent-Canteen had been compelled to resort to the retrenchment step due to the financial position and constraints of the Respondent-Canteen. No fresh recruits to the post of Wash-Boy subsequent to the termination of the Petitioner have been appointed. Only a Cook was appointed subsequent to the termination of the Petitioner in the place of a Cook who resigned. Hence the Petition is liable to be dismissed.

3250 CI-88-20

7. POINT.—The point for determination is :—

- (1) Whether the termination of services of the Petitioner in I.L. No. 15/87 and 16/87 by the Management is justified.
- (2) To what relief are the workmen entitled, and from what date the workmen are entitled.

8. The Petitioners in I.D. No. 15 of 1987 and I.D. No. 16 of 1987 though different, the Respondent-Management reviewed the activities of canteen and came to the conclusion being the same and since the issue also related to the termination of services of both Petitioners and in view of endorsement made by both sides in I.D. No. 15/1987 for a common trial and common award, both I.D.s. were tried together and common evidence was recorded. The Petitioner in I.D. No. 15/1987 examined himself as W.W.1 and the Petitioner in I.D. No. 16/1987 as W.W.2. The Respondent examined the Deputy Traffic Manager as M.W.1 in both the disputes. The Petitioner-workmen marked Exs. W-1 to W-6, and the Respondent-Management marked Exs. M-1 to M-11 to substantiate their version.

9. The Petitioner in I.D. No. 15 of 1987 who examined himself as W.W. 1 besides marking Exs. W-1 to W-3, the order of appointment as Bearer, the order of termination and the report of the Assistant Labour Commissioner would also depose that he was drawing a salary of Rs. 753-15, the termination from 29-1-1986 was illegal and prays for reinstatement. In the cross-examination, he would deny that only 600 workers are only employed and no fresh recruits were made after termination. He would also deny a suggestion since Canteen was incurring loss the workers were terminated. The Petitioner in I.D. No. 16/1987 who examined himself as W.W.2 besides marking Exs. W-4 to W-6 the order of appointment termination and the report of the Assistant Commissioner of Labour would depose that he was not given notice of retrenchment or the pay that he was drawing a salary of Rs. 753-15 and that he should be reinstated. During the course of cross-examination, he would deny that he was paid salary for retrenching him and is now unemployed. In the light of the evidence pertaining to this case it has to be found whether the termination of the services of the Petitioner is justified.

(10) Before going to the merits of this case, the learned counsel for the Respondent raised an objection that as per section 2(j) of the Industrial Disputes Act, The Management-Canteen is not an industry and therefore this Tribunal has no jurisdiction. On the other hand, it is vehemently urged by the learned counsel for the Petitioners-workmen that by reason of the decision reported in 1978-I.L.L.J.(SC) Page 349 Bangalore Water Supply & Sewerage Board vs. A. Rajappa and others), the Respondent-Management would fall within the definition of 'industry' and therefore the dispute was referred to this Tribunal under Section 10 of the Industrial Disputes Act and hence the Tribunal has jurisdiction to enquire into the case. The corresponding decision is in 1978-L.J.C. Page 467 (Bangalore Water Supply & Sewerage Board vs. A. Rajappa and others). The Supreme Court after elaborate discussion and considering the various decisions laid down the law in unambiguous manner as to the conditions to satisfy the provisions of Section 2(j) of the Industrial disputes Act to call as "industry". The law has been laid down as follows :

- (i) the term 'industry' is of wide import. All systematic activity, organised with the co-operation of employers and employees, for the production and distribution of goods and services, will be 'industry'. Absence of profit motive is irrelevant in public and private ventures alike. The test is functional and motives like charity and philanthropy are irrelevant;
- (ii) the ideology of the Act is industrial peace, and the sweep of the definition cannot be cut down in the case of professions, clubs, educational institutions, charitable projects and kindred adventures.
- (iii) where mixed activities are involved, the predominant nature of the activity, as explained in Nagpore Corporation case must prevail;
- (iv) only sovereign functions of the State, strictly understood, can qualify for exemption; other governmental activities are covered by the Act, if the functional test is satisfied;

(v) even in departments discharging sovereign functions, if there are units which are severable and which are engaged in industrial activities, S.2(j) of the Act can be attracted;

(vi) constitutional and enacted legislative provisions can remove from the scope of the Act activities which are otherwise industrial;

In the light of the law having been laid down and settled, the Respondent-Manager Canteen would squarely fall under Section 2(j) of the Industrial Disputes Act as an 'industry' and therefore it cannot be contended that the Industrial Disputes Act is not applicable and consequently this Tribunal has no jurisdiction. Incidentally, the learned counsel for the Management referred to 1960-I.L.L.J. (SC) Page 250 (State of Bombay and others vs. Hospital Mazdoor Sabha and others), where the question arose, whether the pharmacy, wherein bulk of medicines were manufactured and sold in the market and when the hospital were run only for the benefit of the students reading in the Ayurvedic College, is an industry. The Supreme Court held that it was an industry. It is not known how this decision is helpful to the Respondent-Management. Further, in 1978 I.L.C. Page 467 referred to above also took into consideration the above decision. Hence law has been well settled and as rightly pointed by the learned counsel for the workmen, the Respondent-Management would be an 'Industry' as per definition of Section 2(j) of the Industrial Disputes Act.

11. It is contended by the learned counsel for the Respondent-Management that separate set of rules have been framed under Article 309 and the posts of the petitioners would be civil posts and therefore they are excluded from the purview of the Act. It should not be forgotten that even Posts and Telegraphs Department has been declared to be an 'Industry' in 1978-II-L.L.J. Page 248 (Kerala High Court) following the earlier decisions of the Supreme Court. Moreover, the very same judgment in 1978-I-L.L.C. Page 467 has also held that even in departments discharging sovereign functions, if there are units which are industries and they are substantially severable, then they can be considered to come within Section 2(j) of the Act, can be attracted. In the light of this findings, it cannot be contended since rules have been framed under Article 309, Section 2(j) will not be attracted. Of course, the learned counsel for the Respondent-Management relied 1983-II-L.L.C. (Patna High Court Full Bench) Page 1884 (Bijoy Kumar Bhari and others vs. State of Bihar and others) the judgment of Patna High Court, wherein it is found that the rules framed under constitutional provisions would have precedence over the provisions of the Act. However, a close scrutiny of the decision would show that if there are enactments or rules framed under 309 of the Constitution which either expressly or by necessary implication exclude the operation of the Industrial Disputes Act, no question of applicability of the provisions of the Act arises. It further held it is possible to accept the extreme connection that the provisions of the Industrial Disputes Act do not apply at all to Government Servants. Therefore this decision is also not helpful in as much as the rules framed under 309 have not expressed or by implication that Industrial Disputes Act will not apply.

12. Having held the preliminary objections raised by the Respondent not maintainable it remains to be seen whether the termination is justified. The case of the Respondent is inconsistent and it can be seen from its own documents. In the counter statement, it is alleged that the retrenchment was due to the financial position and constraints of the Respondent Canteen and that there was surplus staff. In Exs. W-2 and W-5, the orders of termination of the Petitioners would read that in lieu of reduction in canteen activities and increase in financial commitments their services were terminated. But it is seen from Ex. W-8, letter dated 30-7-1986 addressed to the Working President Akhil Bharatiya Canteen Mazdoor Sabha, New Delhi by the Respondent-Management it has been stated that the employees were terminated only because they were surplus and unrequired but not on economical grounds. Therefore in view of the inconsistent plea and also of the fact that the termination was not due to financial constraint, the documents Exs. M-7 to M-11, the Balance Sheets, Statement of Income and Expenditure, showing the losses continuously to the department would not be any help to the Management.

13. It is not disputed that the Petitioners are in continuous service right from the date of appointment till the date of termination as per Section 25-B of the Industrial Disputes Act. Hence the question would arise whether the termination of the Petitioners is violative of the condition under section 25-F of the Industrial Disputes Act and therefore illegal. The evidence of the Petitioner workmen as WW-1 and WW-2 shows that they have not given one month's notice before termination or paid one month's wages in lieu of notice. But MW-1 would state that the Respondent-Management sent one month's wages in lieu of notice, but the Petitioners returned the same. However, there is no document filed by the Management to show that they complied with the condition under Section 25-F of the Industrial Disputes Act. Section 25-F of the Act states that "no workman employed in any industry who has been in continuous service for not less than one year under and employer shall be retrenched by that employer until the workman has been given one month's notice in writing indicating the reasons for retrenchment and the period of notice has expired, or the workman has been paid in lieu of such notice, wages for the period of notice." Section 25-F is mandatory before making retrenchment of the workman. The learned counsel for the Petitioner-workmen would contend that non-compliance of Section 25-F of the Act would make the retrenchment as invalid and inoperative. In this connection, he would straightaway refer to 1981-I-L.L.J. (Calcutta High Court) Page 363 (Raman Mohan Industries Private Limited as Second Industrial Tribunal and others). In that case, the question arose where the Section 25-F is mandatory and what is effect of non-compliance with the said provision. The Court held Section 25-F is mandatory and the non-compliance with the said provision would render the order illegal. If the order becomes illegal, then the positions as if there is no such order at all and in such a case such retrenchment cannot be given effect to at all in any manner whatsoever. It further held that if the retrenchment is in violation of Section 25-F, the employee concerned remains an employee and the question of awarding some compensation regarding his wages without granting reinstatement cannot and does not arise. As against this decision the learned counsel for the Management relied on the decision of our High Court reported in 1983-II-M.L.J. Page 432 (The Management of Mount Matter Pharmaceuticals Ltd. Vs. the Presiding Officer, II Adst. Labour Court, Madras and others). In that case, the question arose was when the Labour Court found in the circumstances that the retrenchment was bona fide, whether more infringement of Section 25-F necessarily entails direction of reinstatement or not. The High Court held that where the infringement was not out of mala fide, the Labour Court ought to have exercised the discretion by giving a suitable compensation in lieu of reinstatement. But in this case, the question of bona fide or mala fide in termination of the services of the petitioners was not raised. Further, it is clearly evident that there is no financial constraint in terminating the services of the Petitioners since the Government gives 70% as subsidy on wages of Canteen Employees and for the balance of 30% of wages, interest-free loan is being advanced as per Ex. W-7. The above decision, viz. 1983-II-M.L.J. is applicable to only in cases where the termination was not due to mala fide intention. It is seen from 1981-I-L.L.J. Page 363, the Calcutta High Court came to the conclusion only after relying on the decision of the Supreme Court reported in 1978-I-L.L.J. Page 1 and 1964-I-L.L.J. Page 333. For these reasons, the termination of services of the Petitioner is not justified. Hence this point is found in favour of the petitioners.

14. In view of the finding on Point No. 1, the Petitioners will be entitled to be reinstated.

15. In the result, an award is passed holding that the Petitioners will be reinstated with back wages within one month from the date of publication of the Award in the Gazette.

Dated, this 14th day of September, 1988.

AWARD U/S 33(A) I. D. Act

1. This application under section 33(A) I. D. Act, has been moved by Shri Ashok Kumar son of Kamal Prasad, against Divisional Personnel Officer, Northern Railway, Lucknow, Divisional Operating Superintendent, Northern Railway, Lucknow and Chief Yard Master, Northern Railway, Lucknow, with the allegations that during the pendency of industrial dispute No. LKO/8(20)/86-ALC, his services were terminated by the opposite parties w.e.f. 28-8-86. He was appointed as substitute porter on 19-8-77 and had attained the status of temporary workman in 1981. The opposite parties have thus contravened the provisions of section 33(A) I. D. Act.

2. The case is contested by the Chief Yard Master opposite party No. 3. He denies any violation of the provisions of I. D. Act. According to him the services of the applicant have never been terminated by the opposite parties. He (workman) continued as substitute porter against day to day casualties, and was paid salary upto October, 1986. Thereafter he himself did not turn for duty.

3. In support of its case the applicant filed his own affidavit. No evidence has been given in evidence by opposite party No. 3. I have heard the authorised representative for both the parties and have gone through the provisions of section 33-A I. D. Act.

4. It is the own case of the applicant that his services had been terminated by opposite parties while industrial dispute raised by him was pending before the ALC(C), Lucknow.

5. Section 33-A I. D. Act lays down that where an employee contravenes the provisions of section 33 during the pendency of proceedings before the Conciliation Officer, Board, an Arbitrator, a Labour Court, Tribunal or National Tribunal, any employee aggrieved by such contravention may make a complaint in writing in the prescribed manner to such Conciliation Officer, or Board, Arbitrator, Labour Court etc., as the case may be which shall adjudicate upon such a complaint as if it were a dispute referred to or pending before it. Since in the present case according to the applicant the industrial dispute raised by him was pending before the ALC(C) Lucknow who also performs the job of bringing about conciliation between the parties, such an application/complaint should have been made before the ALC(C) Lucknow. This Tribunal has no jurisdiction to decide such a complaint. The Tribunal having no jurisdiction the complaint made by the applicant under section 33-A I.D. Act is misconceived and consequently it is dismissed.

6. The application is answered accordingly.

AWARD

The Central Government in the Ministry of Labour vide its Order No. L-42011(30)/84-D.II(B) dated 29th April, 1985 has referred the following industrial dispute to this Tribunal for adjudication :

"Whether the action of the DSE/Spl. Northern Railway New Delhi in not considering the casual labourers—(list enclosed), who had rendered 120 days continuous employment, for grant of temporary status as it is being done in the case of casual labourers engaged in the open line is justified. If not to what relief the workmen are entitled to?"

2. The short question that falls for determination in this case is whether or not the 238 workmen whose names are given in the list attached with the order of reference, are employed on a project.

3. The contention of the workmen is that the department of Divisional Superintending Engineer Special under whom they are working is not a project as per the definition given in circular No. 7850 dated 8-6-81 of the Railway Board. However, the D.S.E. Special is terming it as a project and depriving the workman from the benefits and entitlements which are admissible to them as per railway board's orders contained in the said circular according to which such of those persons who continued to do the same work for which they were engaged or other work of the same type for more than 120 days without a break, will be treated as temporary after the expiry of 120 days continuous employment. The casual labour working on the jobs other than projects is

entitled to some perks and privileges after the expiry of 120 days continuous service but the workmen/claimants are being denied these benefits on the ground that they are project labour. Hence the workmen have sought the relief of temporary status on completion of 120 days of continuous service and to treat them as senior from the persons whose services have been regularised earlier though they were junior to them and also to all the consequential benefits with retrospective effect from the date of their eligibility for temporary status.

4. The contention of the Management is that the workmen/claimants are engaged on project work and the casual project labour who have not completed 180 days service are being paid as per scale rate but after completion of 180 days service they are being given monthly consolidated wages and the services of project labour are being regulated under the scheme drawn up on the orders of the Supreme Court as per orders of the railway board contained in their letter No. E(NG)II-84-CL/41 dated 1-6-84. The workmen are engaged on project work of the office of the DSE/Special which deals with project work as defined in Note I of sub-part III of para 'A' of letter No. E(NG)II-79/CL/4-4 dated 8-6-81 incorporated in the P.S. No. 7850. The DSE Special is assigned new construction of bridges to improve upon the capacity of the railway as per agreement with the Union Territory. These are time bound projects as deposit works being financed not by railways but by other parties such as the State Government and Delhi Administration etc.

5. No specific definition of the term "Project" is forthcoming. The Nearest definition of "Project" is given in Note No. 1 under Para 2501 Chapter XXV of the Indian Railway Establishment Manual which reads as under :

"Note—I. A project should be taken as construction of new lines, major Bridges, restoration of dismantled lines and other major important open line works like doubling, widening of tunnels etc. which are completed within a definite time-limit. The General Manager/Heads of the Departments concerned, in consultation with the F.A. & C.A.O. will decide whether a particular open line work is a 'Project' or not. In deciding whether a particular open line work should be treated as a 'Project' or not the test to be applied will be whether the work is required for the day today running of the railway, as distinct from the provision of large-scale additional facilities to improve the carrying capacity of the railway."

The workmen have placed reliance on the circular P.S. No. 7850 whereby the railway Board's letter No. E(NG)II-77/CL/46 dated 8-6-81 was circulated. In this circular, project has been defined more or less on similar lines as Note I under para 2501 of the Indian Railway Establishment Manual *ibid* but it has been somewhat further elaborated. For facility of reference, the relevant extract is reproduced below :

"Note (1) : The Project should be taken as construction of new lines, major bridges, restoration of dismantled lines and other major important open line works like doubling, widening of tunnels etc. which are completed within a definite time limit. The General Manager/Head of Depts. concerned, in consultation with the F & CAO will decide whether a particular open line work is a 'Project' or not. If the "Through Track Renewals" include replacement of lighter section of Rails by a heavier Section or increasing density of sleepers or provision of additional depth of ballast etc. these should be treated as works leading to an improvement in the carrying capacity of the Railway and as such irrespective of any financial limit they should be treated as 'Project' 'Casual renewals' or other "Through renewals" which do not lead to any improvement in the carrying capacity of a Railway will however not fall within the definition *ibid*, as under :—

As can be discerned, two criteria emerge as material for deciding whether a work is a project or not. The first is, whether the work is to be completed within a definite time limit and second whether the work leads to an improvement in the carrying capacity of the railways.

S.O. 3790.—Whereas the Central Government having been satisfied that the public interest so required had, in pursuance of the provisions of sub-clause (vi) of clause (n) of section 2 of the Industrial Disputes Act, 1947 (14 of 1947), declared by the notification of the Government of India in the Ministry of Labour, S.O. No. 1790 dated the 27th May, 1988 the industry engaged in the manufacture or production of mineral oil (crude oil), motor and aviation spirit, diesel oil, kerosene oil, fuel oil, diverse hydrocarbon oils and their blends including synthetic fuels, lubricating oil and the like to be a public utility service for the purposes of the said Act, for a period of six months, from the 30th June, 1988.

And whereas, the Central Government is of opinion that public interest requires the extension of the said period of six months ;

Now, therefore, in exercise of the powers conferred by the proviso to sub-clause (vi) of clause (n) of section 2 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby declares the said industry to be a public utility service for the purposes of the said Act, for a further period of six months from the 29th December, 1988.

Balasubramanian, Advocate for the Management upon perusing the reference, claim and counter statements and other connected papers on record and the General Secretary of the Union having made an endorsement not pressing the dispute this Tribunal passed the following :

AWARD

This dispute between the workmen and the Management of Syndicate Bank, Manipal arises out of a reference under Section 10(1)(d) of the Industrial Dispute Act, 1947 by the Government of India in its Order L-12012/45/81-D. II (A), dated 10-12-1984 of the Ministry of Labour for adjudication of the following issue :

"Whether the departmental enquiry against Shri M. Murugavelu, Clerk, for his alleged misconduct in the bank premises on 23-4-79 was conducted pro-

perly and whether the action of the management of Syndicate Bank in imposing the punishment of stoppage of three increments of Shri Murugavelu in the light of Enquiry Officer's report is justified? If not, to what relief is the workman concerned entitled?"

2. Parties were served with summons. Both parties were represented by counsel.

3. Petitioner-Union filed its claim statement on 7-2-1989 putting forth the claim of the workman. In repudiation thereof the Management filed their counter statement on 31-7-1989.

4. After several adjournments when the dispute is called today the General Secretary of the Union filed a petition stating that the Industrial Dispute may be dismissed since workman has joined other Union. He also made an endorsement. Hence Industrial Dispute is dismissed as not pressed and an award is passed accordingly.

AWARD

The Central Government, in the Ministry of Labour, in exercise of the powers conferred by Section 7-A and clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, 1947, (vide Order No L-12012/98/78-D.II (A) dated 16-2-1979), constituted an Industrial Tribunal with Shri R. C. Israni as the Presiding Officer, with headquarters at Ahmedabad, and referred the dispute existing between the employers in relation to the management of Bank of Baroda and their workmen, in respect of the matter specified in the Schedule annexed thereto. The matter specified in the said Schedule is as under :—

"Whether the action of the Agent, Bank of Baroda, Sayedpura branch, Surat, in terminating the services of Shri B. G. Desai, Clerk with effect from 14th July, 1977 is justified? If not, to what relief is the said workman entitled?"

The matter was first heard by the Learned Tribunal Shri R. C. Israni. However, on the retirement of Shri R. C. Israni, it was transferred to the undersigned under the appropriate orders of the Government.

2. Shri B. G. Desai (hereinafter referred to as "the workman concerned") was working with the Bank of Baroda (hereinafter referred to as "the Bank") as a Clerk-cum-Typist for the last many years. His services were terminated by the Bank by an order dated 14-7-1977, by payment of three months' pay and allowances in lieu of notice. The contention of the Bank is that it was simple termination for loss of confidence. On the other hand, the workman concerned has contended that it was a case of victimisation, that the principles of natural justice were not followed and that enough opportunity was not given to the workman concerned for being heard, before passing the impugned order. The workman concerned has, therefore, demanded reinstatement with full back wages.

3. The charge against the workman concerned seems to be that of attempted misappropriation of a sum of Rs. 10,000. It appears that the matter was heard from time to time and a number of witnesses were examined by both the sides in support of their respective case. Finally, Shri M. J. Sheth for the Bank and Shri T. R. Mishra for the workman concerned were heard. Moreover, during the hearing, it was stated at the bar that the workman concerned would not press for reinstatement but would demand 80% of back wages. The management of the Bank was agreeable to pay reasonable compensation when the demand for reinstatement is not pressed. On behalf of the workman concerned, it was then prayed that if not 80%, at least 70 per cent of back wages be paid, in full and final settlement of his claim. Considering the contentions of the parties, in my opinion, it would be fair and reasonable if 60% of the amount of back wages including provident fund, gratuity and all his other dues upto 30-6-1988 is paid to the workman concerned, as compensation.

4. The result is that the workman concerned foregoes his demand for reinstatement. The Bank is directed to pay to the workman concerned by way of compensation, 60% (sixty per cent) of the wages of the workman concerned from the date of termination of his service till 30-6-1988, including provident fund, gratuity, etc. which he would have received had he continued in service upto 30-6-1988. The Bank shall also pay to the workman concerned a sum of Rs. 1,000 by way of costs. The entire amount of compensation and the amount of costs as directed above shall be paid to him within one month. As the amount to be received by the workman concerned would actually relate to the period of about eleven years, it should be phased out accordingly for the purpose of Income Tax.

2. The case of the Union sponsoring the cause of the workmen concerned is briefly as follows : The employees of the employers, Indian Bank (hereinafter referred to as the Bank) are broadly divided in three categories, namely officer, staff and sub-staff. The sub-staff consists of Cash Peons, General Peons, Daftaries etc. The business of the employer Bank has been continuously increasing as a whole and also in various branches taken separately. The number of the sub-staff has however not been increased due to the Bank's consistent avoidance to recruit sufficient number of sub-staff, although the number of officers and clerks in the employer Bank has increased. According to the policy of the Bank, the Bank is to maintain a ratio of 1 : 3 amongst the officer, clerk and sub-staff in a branch. The ratio indicates the man-power requirement for proper function with respect to one officer. The employer Bank deliberately neglected

to maintain the said ratio in regard to the number of sub-staff in the Calcutta city area. For the aforesaid reasons, almost every branch of the Bank in the Calcutta city area was running short of actual number of sub-staff and the employer Bank allowed the existing sub-staff to perform overtime duties to make-up the jobs accumulated due to the shortage of sub-staff. There were 23 vacancies in the sub-staff category in different branches of the Bank in the Calcutta city area.

3. The employer Bank made a panel of 30 workmen in 1976 which included the concerned workmen numbering 22 as mentioned in the reference. The employer Bank used to allot duties to those empanelled workmen intermittently on no-work-no-pay basis and without treating them as permanent staff of the Bank. The concerned workman completed more than 240 days work in a year either as Cash Peon or General Peon or Dattary during the period ending in 1981. In case of any permanent appointment in sub-staff category, the Bank was indisputably bound to appoint such staff from the panel as mentioned above on the basis of seniority and not from outside. Although the workmen named in the order of reference worked continuously since 1976 till 1981 as Cash Peons, General Peons and Dattaries, the jobs of which posts were of permanent nature, the employer Bank denied them regular employment, i.e. to treat them as permanent employee of the Bank with all consequential benefits attached to the permanent employment. The employer Bank in order to avoid the obligation and duty to give the concerned workmen regular employment, suddenly from 1-4-1981 changed the condition of service of the empanelled workmen so that none of those empanelled workmen could get six days work in a month to the detriment of the interest of the concerned workmen. The concerned workmen worked more than 240 days in a calendar year but the employer Bank refused to employ them on a regular basis despite the concerned workmen had completed 240 days of work in a year. Being aggrieved due to the non-employment of the concerned workmen in permanent cadre the Union raised the industrial dispute with the employer Bank, which after failure of the conciliation, has been referred to this Tribunal for adjudication.

4. In the written statement of the Union the permanent status of the concerned workmen has been claimed from 1st January, 1981 with all other benefits attached to the permanent status, although in the order of reference the issue has been raised as to whether the action of the management of Indian Bank in denying regular appointment to the concerned workmen in the Bank is justified and if not, to what relief the workmen concerned are entitled.

5. The case of the employer Bank as made out in their written statement is briefly as follows : The employer Bank, as in any other organisation of public undertaking, employed workmen as permanent workmen in permanent vacancies in the cadre of subordinate staff. In order to meet the contingencies of providing substitutes during the period when permanent employees in subordinate cadre go on privilege leave or sick leave and with a view to ensuring prompt and regular customer service in the absence of permanent employees appointed in permanent vacancies, the employer Bank has been employing persons purely on temporary basis during the absence of permanent employees for the reasons mentioned above from time to time depending on the requirement at a particular point of time or branch.

6. The employer Bank has been maintaining a panel of candidates for being engaged purely on temporary basis during the period when permanent employees in the branches situated at Calcutta, Howrah and Liluah go on leave. Such panel of candidates was being prepared by selection on interview out of the candidates recommended by the Employment Exchange. With a view to providing fair opportunities to all persons so empanelled, it becomes necessary for the Bank to evolve procedure in regard to deployment of such personnel including the number of days for which such persons should be employed at a stretch during a month. They were engaged for a maximum of six days in a calendar month as far as practicable by turns. Since July, 1982 they are being engaged for a maximum of twelve days in a calendar month. At no point of time such empanelled persons were employed or appointed in permanent vacancies but they were engaged on temporary basis when permanent employees went on leave.

Permanent vacancies but they were engaged on temporary basis when permanent employees went on leave. Permanent vacancies whenever they arise due to the retirement, death etc. and on account of sanction of additional staff, are filled from the candidates empanelled as temporary employees on the basis of their seniority in the panel. In this manner out of the concerned 22 workmen the employer Bank has given permanent employment to 14 persons. In the instant case all the concerned workmen were employed by the Bank purely on temporary basis. So they cannot claim to have attained permanent status unless they are employed against permanent vacancies.

7. The employer Bank has denied the Union's allegation that the concerned workmen worked more than 240 days in a calendar year in any branch or post of the Bank. The employer Bank has denied also the alleged ratio in officer : clerk : sub-staff. According to the employer Bank, the workmen concerned of the panel would be employed against the permanent vacancies whenever such vacancies would occur.

8. Both parties adduced evidence both oral and documentary over the dispute in question. It appears from the order of reference that the point at issue is whether the action of the management of Indian Bank, Calcutta in denying regular appointment to the concerned 22 workmen (peons) in the Bank is justified and if not, to what relief the workmen concerned are entitled. In the order of reference it has not been mentioned from which date the regular appointment to the concerned workmen was being denied. There is no dispute to the fact that before 4th November, 1982, the date of the order of reference, 8 workmen out of the concerned 22 workmen have been made permanent and the rest were made permanent within the period from December, 1982 to September, 1983. WW-1, Tapan Das has admitted in his evidence at the time of Cross-examination that all the 22 concerned workmen were regularised in the employment of the Bank during the period from 1982-1983.

9. The question may now arise that when all the workmen concerned have been made regularised or permanent, as the case may be then what other dispute remains for adjudication by this Tribunal. The pleadings and the evidence in this reference go to show that the workmen concerned have claimed regularisation in service from 1st January, 1981. Their such claim is based on two salient facts. According to the workmen concerned, there were permanent or regular vacancies from 1st January, 1981 and yet the workmen concerned have not been made permanent or regular from 1st January, 1981. Their further case is that all the workmen concerned worked for more than 240 days in a calendar year as sub-staff under the employer Bank even before 1st January, 1981 and accordingly when their services were not terminated by way of retrenchment on and from 1st January, 1981 according to the law enjoined in the Industrial Disputes Act, 1947 they are legally to be treated as regular or permanent workmen from 1st January, 1981, and they are entitled to get their wages as sub-staff of the Bank from 1st January, 1981.

10. Although in the order of reference dated 4th November, 1982, the word "regular appointment" has been mentioned, it appears from the pleadings of both the parties that both parties have understood the said regular appointment as the permanent appointment. To me it however appears that the regular appointment may not be always the permanent appointment because even the temporary workman may be in a regular appointment till he is made permanent against the permanent vacancy. Be that as it may, there is no dispute to the principle that the question of permanent appointment arises when there is permanent vacancy. It is the case of the workmen concerned that there were permanent vacancies to permanently appoint 22 concerned workmen from 1st January, 1981. The employer Bank however has come with the plea that there was no such vacancy on 1st January, 1981. Mr. Ghosh, the learned advocate for the employer Bank has drawn my attention to the decision in the case of Hindustan Aeronautics Ltd. V. their workmen reported in 1975 (11) LLJ 336 wherein it has been observed inter alia by the Supreme Court as follows : "It is plain that 10 workmen or any of them could be made permanent only against the permanent vacancies and not otherwise". The same principle of law was also expressed in the case of Premwati Nautival V. Narendra Mohila Vidyalaya reported in 1985 (1) S.L.R. 789 wherein

the Allahabad High Court has observed that regularisation arises where the appointment is there. The principle of law as enunciated in the aforesaid cases are not disputed. It may however be mentioned here that in the aforesaid two cases the status of the workman who has completed 240 days work in a calendar year under the employer does not appear to have been discussed. Mr. Sengupta, the learned advocate for the workmen concerned has substantiated his argument on that particular aspect more vigorously, although Mr. Sengupta has tried to substantiate his argument even on the fact that it will have to be presumed in the absence of definite evidence that there were permanent vacancies to absorb the 22 concerned workmen on and from 1st January, 1981.

11. I have gone through the evidence oral and documentary with reference to the pleadings. I however do not find the evidence which can establish to the satisfaction of the Tribunal that there were 22 existing permanent vacancies on and from 1st January, 1981, on the strength of any sanction in this respect from the appropriate authority of the employer Bank. WW-1. Tapan Das in his cross-examination has admitted by saying "I agree that the permanent vacancies in the Bank are required to be created on the basis of the business position of the Bank". Nowhere in his evidence it has been stated that the employer Bank created the permanent vacancies on 1st January, 1981 to absorb all the concerned workmen or any of them. MW-1 P. Damodaran who is an officer of the employer Bank has stated in his deposition that when there is requirement for a branch, the man power is sanctioned and that after sanction, the seniormost temporary employee of the panel is absorbed permanently. So it is the admitted case of both parties that creation of the permanent vacancies is the first requisition to absorb any panelled workman against such permanent vacancy. WW-1 Tapan Das in his evidence has only stated that in the year 1980-1981 Zonal Manager of the employer Bank recommended through plenty of letters asking sanction for the sub-staff cadre in the branches in Calcutta. His evidence however does not throw any light whether such recommendation of the Zonal Manager was accepted by the appropriate authority of the employer Bank and whether necessary sanction for appointment of the sub-staff to the permanent post was given.

12. It appears from the cross-examination of Mr. Damodaran (MW-1) that he was asked a definite question by the learned advocate for the workmen as to what prevented the employer Bank from making the concerned workmen permanent from 1st January, 1981, although the employer Bank could permanently appoint them in 1982-1983. The answer given by MW-1 was that there was no vacancy at that time.

13. Mr. Sengupta, the learned advocate for the workmen has however argued that the employer Bank has not produced any document or paper to show that before the permanent appointment of the workmen concerned in 1982-1983, the necessary sanction for the permanent vacancy was that made and if the workmen concerned could have been made permanent in 1982-83, they could have been made permanent on and from 1st January, 1981. I have given due consideration to the submissions as made by the learned advocates of both sides with reference to the materials on record and I find that there is no satisfactory evidence to establish that there were permanent vacancies on and from 1st January, 1981 to absorb all the concerned workmen, although it may be presumed that there were scope for absorbing some of the workmen concerned on and from 1st January, 1981 when 8 of the concerned workmen could be permanently appointed in 1982 before the date of the order of reference.

14. It has already been stated that Mr. Sengupta, the learned advocate for the workmen has advanced his forceful argument for treating the workmen concerned as in regular or permanent service on and from 1st January, 1981 because of the fact that they had worked for more than 240 days in a calendar year even before 1st January, 1981 and their service under the employer was not terminated by way of retrenchment in accordance with law. Mr. Ghosh, the learned advocate for the employer Bank has challenged such submission of Mr. Sengupta on three points. His first point is that the completion of work for 240 days by any workmen in a calendar year does not make him a regular workman not to speak of permanent employment under the employer and there is no such provision in support of the same under the Industrial Disputes Act, 1947. His second point is that none of

the workmen concerned worked for 240 days in a calendar year in any particular branch of the employer Bank and his third point is that none of the workmen concerned has actually worked for 240 days under the employer. As regards the last two points as raised by Mr. Ghosh, Mr. Sengupta has submitted that the employer Bank has admitted the position that all the 22 concerned workmen had worked for more than 240 days in a calendar year prior to 1st January, 1981. I have gone through the pleadings and the evidence and I find that the submission of Mr. Sengupta in this respect has been substantiated by the pleadings and the evidence as given by the parties. In the written statement filed by the workmen concerned it has been clearly stated more than once that all the workmen concerned worked for more than 240 days in a calendar year even prior to 1981. In the written statement of the management no denial has been made in this respect and the absence of such denial rather implies that the employer Bank has admitted the said fact as disclosed in the written statement of the workmen. In the evidence in chief of WW-1 Tapan Das it has clearly been stated that all the workmen have worked for more than 240 days in the year 1980-81. In his cross-examination also this witness (WW-1) has stated that he has filed the document to show that every workmen concerned worked for more than 240 days in a year taken together their service in different branches and that such workmen did not work for 240 days in a single branch. MW-1 in his evidence in chief has stated that the workmen concerned were not engaged for more than 240 days in a particular branch in a particular post. So the evidence on both sides has established that the concerned workmen worked for more than 240 days under the employer Bank, although in different branches but not in a single particular branch. It further appears that the work allocation registers to the sub-staff Exts. W-3, W-4 and W-5 showing the work of the concerned workmen in a calendar year support the contention of the workmen in this respect.

15. There is no dispute to the fact that the posts of peon, cash peon etc. are the posts of sub-staff and their pay scale is the same to the exception that the cash peons may get some special allowance for handling of cash as per the submission of Mr. Ghosh in this respect. Now the question arises whether the 240 days' work in different branches under the employer Bank but not in a particular branch would disentitle the workmen concerned to get the benefit of continuous service as per the provisions of Section 25B of the Industrial Disputes Act, 1947. Section 25B of the said Act requires the work of the workmen under the employer for not less than 240 days in a calendar year to entitle the workman concerned to be in continuous service. There is no dispute to the fact that the employer in the instant case is the Indian Bank, which might have several branches in Calcutta area. So the work of the workmen concerned for 240 days in a calendar year in several branches under the same employer but not in a particular branch would not disentitle the said workmen to be in continuous service as defined in section 25B of the Industrial Disputes Act, 1947.

16. Now the most important question comes for decision as to whether the completion of 240 days work in a calendar year by a workman will give the said workman the status of a regular employee under the employer. There is no gain saying of the fact that Chapter—VA of the Industrial Disputes Act, 1947 where the 240 days work in a calendar year has been referred to in connection with the definition of the continuous service by a workman under section 25B, has not clearly stated anything in this respect as submitted by Mr. Ghosh. But it cannot be overlooked that Chapter VA of the Industrial Disputes Act, 1947 dealing with lay-off and retrenchment has given some safeguard to his employment and in case of lay-off under section 25C and retrenchment under section 25F, the workman who has completed 240 days work in a calendar year is entitled to get some benefits from the employer, by way of compensation and one month's notice or pay in lieu of notice as the case may be under the aforesaid respective sections of the Industrial Disputes Act, 1947. In the case of Kapurthala Central Co-operative Vs. Presiding Officer, Labour Court, Jullundur reported in 1984 Lab. I.C. 974 the Division Bench of the Punjab and Haryana High Court while discussing the scope of Section 25B of the Industrial Disputes Act, 1947, has observed as follows : "The in built policy in the Act for drawing the dividing line of 240 days of service seems to us to be that if a work-

man had satisfactorily continued for a period of 240 days as envisaged in those provisions, he is as good as having been accepted permanently (though this fact does not figure in the Act) in employment." In deference to the aforesaid observation, the concerned workmen in the instant case who have been found to have completed their 240 days work in a calendar year under the employer prior to January, 1981 may be accepted as good as the regular employees of the employer bank.

17. The case of Honneyya and Others vs. Karnataka State Road Transport Corporation reported in 1985 (II) LLJ 487 as referred to by Mr. Ghosh, the learned Advocate for the employer—bank lays down the undisputed principle of law under the observation of the Single Judge of the Karnataka High Court as follows : "It would be a travesty of law to say that if a person is given work for one or for a few days in year by an employer, either as a leave substitute or to meet the extra work arising on any occasion, the rest of the days on which no work is given amounts to 'cessation of employment' within the meaning of Section 25B(i) and that the workman must be deemed to be in continuous service of such employer." In the facts and circumstances of the present case, the aforesaid case as referred to by Mr. Ghosh has got no scope of its application and does not in any way affect the principle of law as enunciated in the case reported in 1984 Lab I.C. 974(Supra).

18. The other case of Ramasamuz Narsingh Upadhyaya vs. Vinubhai Metra reported in 1982 (44) FLR 406 as referred to by Mr. Ghosh to stress upon the undisputed observation therein that "the definition 'continuous service' given under section 25B of the Act is for the purpose of Chapter V-A which deals with the lay-off and Retrenchment" also does not affect the principle of law as enunciated by the Division Bench in the case reported in 1984 Lab IC 974(Supra).

19. It is no body's case that the service of the concerned 22 workmen who have been found to have completed their 240 days work in a calendar year under the employer-bank prior to January, 1981 was terminated by way of retrenchment by the employer bank. Mr. Ghosh, the learned Advocate for the employer bank has made the submission at the time of his argument that the concerned workman are very much in employment under the employer-bank as their names have not been removed from the panel. It is the settled principle of law that a person in employment must get his wages from the employer until his service is terminated. Mr. Ghosh has submitted that the concerned workmen are given the wages for the days when they are given work. This submission of Mr. Ghosh, I fail to appreciate. A person in employment must get his wages either weekly or monthly as the case may be under the rule if he is not laid off or retrenched by the employer, irrespective of the fact whether he is given work or not. It is not the case of the employer that the concerned workmen did not come to do duty from 1st January, 1981 till their permanent appointment as per the submission and record of the employer.

20. The materials in the record show and it has not been disputed by the witness of the employer bank that before the permanent absorption of the concerned workman against the permanent vacancies by issue of order to that effect by the employer, the employer bank added another 60 hands to the panel of the concerned workman in April, 1981 and that a circular was issued by the employer bank to the effect that none of the panelled persons should be given work for more than 6 or 12 days in month. It cannot be conceived unless it is an unfair labour practice, how the concerned workman who are in continuous service by virtue of their work for 240 days in a calendar year can be deprived of their regular wages so long as their services have not been terminated by retrenchment or they have been laid off according to law.

21. On due consideration of the facts and circumstances of the case and the materials in the record, keeping in view of the scheme under the Industrial Disputes Act, 1947, I find no least hesitation to hold that the concerned 22 workmen who have been found to be in continuous service as defined in Section 25B of the Industrial Disputes Act, 1947 prior to 1st January, 1981 are entitled to get their regular wages as

sub-staff from 1st January, 1981 till they have been respectively permanently appointed according to the employer bank's record, of course subject to the deduction of the wages already received by them for any day or days during the aforesaid period, when they were not retrenched or laid off during the said period irrespective of the fact whether they are declared regular/permanent during the said period, and accordingly I pass the award to the effect.

This is my Award.

Bombay, dated the 22nd November, 1988

AWARD

The Central Government by their Order No. L-12012/594/86-D. II(A), dated 11-11-1987 has referred the following industrial dispute to this Tribunal for adjudication under Section 10(1)(d) of the Industrial Dispute Act, 1947 :—

"Whether the management of Bank of Maharashtra, Nagpur is justified in stopping Shri. Moreshwar S. Dama Paunikar from work w.e.f. 21-5-1986 ?

If not, to what relief is the employee concerned entitled to ?"

2. The Deputy General Secretary of the Union of the Maharashtra Bank Employees Nagpur, of which the said workman is a member, filed his statement of claim challenging the action of the management of the said Bank.

3. The Chief Manager, Staff Administration of Bank of Maharashtra filed his written statement justifying the above action of that Bank, and refuting the allegations made by the Union.

4. On these pleadings, the necessary Issues were framed.

5. While the reference was at the stage of evidence, both the parties arrived at an amicable settlement and filed their compromise Memo, settling the dispute between them. The terms and conditions of the said compromise Memo, are thus :—

"1. That bank agrees to employ the workman Shri M.S. Paunikar as part-time sub-staff, for a vacancy that may be created in any branch Nagpur Region, with prospective effect for all purposes.

2. That the employment thus given to Shri Paunikar will be without backwages or continuity of service about his past employment in the bank.

3. That the workman and his Union, agree to forgo all the claims raised in this dispute.

4. The Bank agrees to give employment to Shri Paunikar as above within a period of three months.

5. The Hon'ble Tribunal is requested to issue consent Award on the above stipulations."

6. I find that the said terms and conditions of compromise Memo, are quite in the interests of both the parties. Both the parties have consented to those terms and conditions. The said compromise Memo, is signed by the workman Shri Moreshwar S. Paunikar, as well as by the Deputy General Secretary of the said Union, namely, Shri S. T. Sahasrabudhe and also Shri R. M. Nijampurkar, Officer in Personnel Deptt. on behalf of the Bank management. Therefore, Award must be, and is drawn in terms of the said compromise Memo.

AWARD

The Government of India, Ministry of Labour and Rehabilitation in exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-26012(376)/82-D. III(A), dated, the 11th April, 1983.

THE SCHEDULE

"Whether the action of the D. I. G. Security of Messrs. Bharat Coking Coal Limited, Dhanbad in dismissing Shri Kundan Singh Yadav, a Night Guard, is justified? If not, to what relief is the workman entitled?"

The case of the workman is that the concerned workman ployed as Night Guard at Gopahchak Colliery since before the nationalisation of the Coal mining industry. In 1976 the nationalisation of the Coal mining industry. In 1976 the concerned workman was a Night Guard of 20/21 Pits Murlidih Colliery of M/s. B. C. C. L. Sometime in 1976 one Shri Mahadev Singh a Havalder of Security department of M/s. BCCCL was murdered by some unknown person and on suspicion the Police arrested several persons including the concerned workman. He was kept in the Jail custody in connection with that case within the full knowledge of the security department of M/s. BCCCL. The management did not issue any charge sheet or any show cause notice to the concerned workman and all on a sudden by a letter dated 25-9-76 dismissed him from his services. Subsequently the concerned workman was acquitted in the Sessions trial by the First Addl. Session Judge of Dhanbad by Judgement dated 5-1-82. After his release from Jail Custody the concerned workman reported for duty at the colliery but he was not allowed to resume duty by the management and no reason was assigned to him as to why he was not being allowed to resume his duty. The RCMS which is the union of the workmen made no representation before the DIG/Chief Security vide letter dated 13-4-82 but to no effect. After waiting for sometime for the reply from the management when no reply was received, the union raised an industrial dispute before the ALC(C), Dhanbad by the latter dated 7-8-82. The ALC(C) took up the matter in conciliation. The conciliation ended in failure and thereafter the present reference was made as stated above was a permanent employee of M/s. BCCCL and his service conditions were governed by the Standing Orders of Coal Mining Industry and as such his services could not have been terminated without issuing a chargesheet show cause notice and without holding proper departmental enquiry into the charges. The action of the management was arbitrary, illegal and mala fide. On the above facts it is prayed that the dismissal of the concerned workman is not justified and is entitled to be reinstated with full back wages and consequential benefits.

The case of the management is that the reference is not maintainable. The office of the DIG/Chief of Security is not a mine under the Act and the concerned workman is not a person employed in a mine. The reference made by the Central Government is not the appropriate Government with regard to the office of the DIG/Chief of Security. The concerned workman Shri Kundan Singh Yadav, Night Guard had been absenting from duty for more than 10 days with effect from 26th July, 1976. He was arrested by Kendwadhi Police and detained in Jail Custody but not at the instance of the management. He was in custody in connection with G.R. Case No. 14 dated 14th June, 1976 under Section 302/201 I.P.C. and G.R. Case No. 12 dated 25th August, 1976 under Section 406, 342, 328 and 420 I.P.C. for serious criminal

nal offence. These offences had a serious bearing on the very nature of work for which the concerned workman was appointed and in view of his involvement he forfeited the trust and confidence of the management. After going through the reports of the Police and also from the report from the department the management was fully satisfied that the allegations brought against the concerned workman had been fully substantiated. The concerned workman while absenting for more than 10 days with effect from 26th July, 1976 was actually in Jail Custody but as he was not in Jail Custody at the instance of the management, the management was not responsible for his arrest. The concerned workman had absented for long without permission or leave and as such he was guilty of absenting without permission and satisfactory cause. The management could not afford to wait for him indefinitely without causing dislocation of work. Under the Standing Orders applicable to the concerned workman, formal charge sheet had to be issued and enquiry conducted before his services could be dispensed with but as it was impossible for the management to comply with the above requirement in view of the fact that the concerned workman was in Jail and it was not possible for him to participate in the enquiry no useful purpose would have been served by issuing him any chargesheet. Accordingly the DIG/Chief of Security BCCL in exercise of the powers vested in him decided to dismiss the concerned workman from the Company's service. The concerned workman was therefore dismissed vide letter dated 25th September, 1976. An acquittal by the Court of law does not necessarily mean that no departmental disciplinary proceeding can be taken against an employee for the charges on which he has been acquitted by the Court of law. The action of the management in dismissing the concerned workman fully justified and he is not entitled to be reinstated.

The question to be decided in this reference is whether the dismissal of the concerned workman is justified.

The management and the workmen have each examined one witness in support of their respective case.

The workmen have got the entire record of the ALC(C)-V exhibited as W-1. The management did not produce any document.

It is the admitted case of the parties that the concerned workman was dismissed from service by the DIG/Chief of Security with effect from 25th September 1976. It is also admitted that no chargesheet or show cause notice was issued against the concerned workman or any domestic enquiry was conducted into any charges levelled against the concerned workman before dismissing him from service. It will appear from the case of the management that the concerned workman was dismissed from service on the ground that he had absented from duty with effect from 26th July, 1976 for more than 10 days without any leave or permission. MW-1 Shri B. N. Singh working as Night Guard Havaladar stated in his evidence that he was working as Night Guard Havaladar in Murulidih 20/21 Pits Colliery. He knew the concerned workman who was working as Night Guard in Murulidih 20/21 Pits Colliery. MW-1 has stated that no charge sheet had been submitted against the concerned workman. MW-1 has not stated anything new but has only stated the case of the management which also shows that no chargesheet had been submitted against the concerned workman. WW-1 is the concerned workman Shri Kundan Singh Yadav. He has stated that he was working as Night Guard in Murulidih 20/21 Pits and was a permanent employee. He has stated that the management did not issue any chargesheet to him. He has further stated that he was acquitted in 1982 from the criminal case instituted against him. He has stated that after his acquittal in the Criminal case he approached the management for giving him duty but the management refused to take him in employment. In cross-examination he has stated that he was in custody for about 60 days from 26th July, 1976 but the DIG dismissed him from service with effect from 25th September, 1976. He has stated that as he was in custody for 60 days and had not attended the duty, the DIG had dismissed him from service. From the case of the management in the W.S. it appears that the management did not issue any chargesheet against the concerned workman in respect of his absence for more than 10 days without leave or permission as the concerned workman was in custody in connection with the criminal case. It is also admitted that according to the Standing Orders applicable to the concerned

workman chargesheet in respect of absence for more than 10 days without permission is required and a domestic enquiry has to be held before dismissal of a workman. The absence of workman for over 10 days without leave or permission is a misconduct under the Standing Orders and as such a workman cannot be dismissed from service without issuing chargesheet and holding a domestic enquiry into the same.

In 1987 LIC page 1631 (AIR-1987 Supreme Court 1892) their Lordships of the Supreme Court held that termination of service of a workman on the ground of embezzlement and absenting from duty without obtaining leave without holding any domestic enquiry is unjustified and their Lordships set aside the termination of the service ordering reinstatement. The management has referred to a decision reported in 1984 Lab IC page 206 (Tata Engineering Locomotives Co. vrs. State of Bihar) in which it was decided that where the workmen were arrested by the Police on Criminal charges and the management conducted domestic enquiry for their continuous absence without leave and none of the chargesheeted workmen participated in the enquiry and were discharged from service then it could not be said that the management acted in violation of principles of natural justice when the Labour Court had reached finding on the basis of evidence led by the parties that the workmen were arrested by the Police not at the instance of the management. On reading the facts of the case it will appear that petitioners 4 & 5 in CWJC 140 of 1978 were chargesheeted for continuous absence without permission as provided under Standing Order No. 24 clause (XI) of the Certified Standing Orders of Telco and it was served on all of them while they were in jail. It appears that the learned Advocate appearing on behalf of management in the present case has missed to notice the difference of facts in the case cited above and the present case which is under consideration. In the present case admittedly neither any chargesheet nor any show cause was issued against the concerned workman before dismissing him from service although the management was alleging the charge of misconduct of absenting for over 10 days without leave or permission against the concerned workman. In the case before their Lordships the workmen had been issued notice of enquiry while they were in jail but it will appear in the present case that no notice had been issued on the concerned workman. Thus the question whether the concerned workman was arrested by the Police not at the instance of the management is of no importance and cannot be good defence for the management for not issuing chargesheet and conducting enquiry into the allegation of the absentism of the concerned workman for over 10 days without permission.

It will appear from the admitted case of the parties that the concerned workman had been acquitted of the criminal case and as such it cannot be said that the allegations made in the criminal case were true. Admittedly the concerned workman was in custody at the time he was dismissed from service and had absented for about 60 days, it was not possible for the concerned workman to attend his duties. Had the concerned workman been chargesheeted by the management and domestic enquiry was held against him he could have explained the reasons of his absence because of his being taken in custody and that might have been held to be a sufficient ground for the absence of the concerned workman from duty. In the above view of the matter it has to be held that the dismissal of the concerned workman without issuing a chargesheet of misconduct and holding an enquiry thereon is unjustified and such order of dismissal cannot be sustained.

The concerned workman was a permanent Night Guard. The dismissal of the services of the concerned workman without holding any domestic enquiry may also amount to retrenchment of service as defined under Section 2(oo) of the I.D. Act. Under the provision of Section 25F of the I.D. Act if a workman has been in continuous service for not less than one year he cannot be retrenched save and except compliance with the provision of that section. The concerned workman was employed as permanent Night Guard since long before 1976 and he was in continuous service for more than 240 days when his services were dispensed with. The management admittedly did not comply with the provisions of Section 25F of the Act and as such also it has to be held that the termination of the services of the concerned workman was void in the eye of law.

It appears that the management was against the concerned workman for his involvement in the Police case and being apprehensive of his conduct worthy of Night Guard decided to dispense with the services of the concerned workman and finally taking the plea of his absence from duty for more than 10 days without permission dismissed him knowing fully well that the concerned workman was in Police custody at the time when the order of dismissal was made. The procedure adopted by the management was devoid of the principles of natural justice. In view of the discussions made above it is obvious that the management had adopted a very unusual procedure in dismissing the concerned workman from service and the same was not appropriate and in accordance with the principles of natural justice.

It will appear from the evidence of MW-1 and WW-1 that the concerned workman was a Night Guard in Murulidih 20/21 Pits Colliery and as such it appears that he was a workman in a Mine within the meaning of Section 2(s) of the I.D. Act.

In the result, I hold that the action of the DIG/Security of M/s. BCCL Dhanbad in dismissing the concerned workman Shri Kundan Singh Yadav, Night Guard with effect from 25th September, 1976 is not justified. The order of his dismissal is set aside and the concerned workman is reinstated in his job from the date of his dismissal but as the concerned workman was acquitted of the criminal case on 5th January, 1982 and had not done his job, he will not be entitled to his salary for the period from the date of his dismissal till 5th January, 1982 but he will be entitled to the salary and other consequential benefits from the date of his dismissal from the criminal case. However, he will be entitled to the continuity of service. The management is directed to comply with the above directions within one month from the date of publication of the Award.

This is my Award.

2. The case of the concerned workmen as appearing from the written statement submitted by the sponsoring union, namely, Bihar Colliery Kamgar Union, details apart, is as follows :

The concerned workmen have been working as Time-rated Trimmers since long with unblemished record of service. Besides the job of a trimmer the management is taking from them the work of signalman, pointsman, looseman, coupler and tippler Khalasi. The management did not at appoint any separate set of workmen to perform the jobs of signalman, pointsman, looseman, coupler and tippler khalasi. Signalman, looseman, pointman and coupler are placed in Category-IV as per Central Wage Board Recommendations. The concerned workmen are active members of Bihar Colliery Kamgar Union. Some officers of the management are very much biased and prejudiced against the members of Bihar Colliery Kamgar Union and they are always on the look out to victimise the members of this Union. Although the concerned workmen represented their case several times, the management did not pay any heed to it. S/Shri Pusha Mahato, Sanichar Roy, Ruplal Mahato and Ganesh Mahato of Madhuban Colliery of M/s. B.C.C. Ltd. have been placed in Category-IV although they perform same type of jobs as are being performed by the concerned workmen. Central Govt. Industrial Tribunal No. 1, Dhanbad, has been pleased to pass an award in favour of time-rated trimmers of Madhuban Colliery by placing them in Category-IV with effect from 1-5-1972. In several other collieries of M/s B.C.C. Ltd. and M/s. E.C. Ltd. the time-rated trimmers who are performing the same

type of jobs as are being performed by the concerned workmen have been placed in Category-IV. In spite of repeated demand of the concerned workmen for being placed in Category-IV with effect from 1-5-1972 on account of performance of various types of jobs of Category-IV, the management did not agree to their demand. Seeing no other alternative the union had to raise an industrial dispute before the Asstt. Labour Commissioner (C), Dhanbad, for conciliation. The conciliation proceeding ended in a failure as the management refused to concede the demand of the workmen. The Govt. of India has referred the present dispute for adjudication by this Tribunal. The demand of the concerned workmen is for Category-IV wages for performance of duties of higher jobs with effect from 1-5-1972. In the circumstances, the union has prayed that the present reference be answered in favour of the concerned workmen.

3. The management of Lohapatti Colliery of M/s. B.C.C. Ltd. has contested the matter. In the written statement the management has contended that the present reference is not maintainable. It has been submitted that out of the 23 workmen S/Sri Chakru Mahto No. III (Sl. No. 2) and Chunnilal Mahto (Sl. No. 23) have been working at present as Haulage Khalasi (Tugger Khalasi), and S/Sri Channa Manjhi and Kalu Mahto Sl. Nos. 6 and 12 respectively have been working at present as Khalasi and miner/loader, but the others have been working as Trammers in Cat. III. It has been emphatically denied that the other concerned workmen have been performing higher job in addition to their job of tramping. It has been stated that S/Sri Chakru Mahto (Sl. No. 2), Chunnilal Mahto (Sl. No. 23), Channa Manjhi No. 1 (Sl. No. 6), Khalu Mahto (Sl. No. 12) and Kailash Mahto (Sl. No. 14) have been working as Haulage Khalasi, Khalasi, Night Guard and Miner/Loader respectively and that they are not performing the duties of Trammer in addition to their own duties as Haulage Khalasi, Khalasi, Night Guard and Miner/Loader. Joint Bipartite Committee for the Coal Industry finalised the National Coal Wage Agreement No. 1, No. II & No. III and had laid down job description for the trammers in the Red Book as follows :

- (i) A workman who pushes and control the movement of empty and loaded tubs mine cars either on surface or underground. He also operates track safety devices e.g. drag, stop blocks, runway switches etc. and re-rails the derailed tubs/mine cars. But it does not include the lifting of fallen tubs/mine cars of the coal bank at the depot.

Director General of Mines Safety had long ago prohibited the employment of any person as a looseman in Coal Mines on account of the risk of accident and in the interest of safety arrangements. Earlier the loosemen were in daily rated Category-IV and the job description for them provided as follows :

"A workman who accompanies the set of train of tubs when it is being handled and who signals to the haulage khalasi prior to tubs being moved."

The National Coal Wage Agreement also laid down the job description of Clipman/Pointsman/Coupler/Signalman. Since the job description and categorisation of workers employed in Coal Industry stand settled by the National Coal Wage Agreements, there is absolutely no scope for the demand of the concerned workmen. There exists no endless haulage at Lohapatti Colliery and so the question of employment of Trammer as looseman does not arise. The five of the concerned workmen named above are being paid according to the jobs performed by them, but they may be paid the difference of wages, if any, with effect from the date the dispute has been raised i.e. on January 31, 1984. The rest other 18 workmen are not entitled to any relief whatsoever.

4. In the rejoinder to the written statement of the management, the sponsoring union has emphatically stated that all the concerned workmen were originally appointed as Trammers and they have been working in higher category of jobs, such as, looseman/signalman/clipman etc. besides their original jobs of tramping. It has been pointed out that reproduction of so-called "Red Book" purporting to the part of N.C.W.A. is irrelevant and an attempt to cloud the real issue. Central Wage Board Recommendation has statutory

force and the job descriptions as per Central Wage Board Recommendation are relevant for the purpose of adjudication of this case.

5. In the rejoinder to the written statement of the sponsoring union the management has contended that none of the concerned workmen, except those who have been so admitted by the employer in para 4 of the written statement, have been working in higher/lower category. The management has to issue authorisation slip to work either as a competent person/official in a mine. But no such authorisation or certificate of competency was ever issued to the concerned workman. It has been submitted that usually in an underground mine, not more than three persons are required in a district in a shift for doing all the jobs of pointsman, clipman and thus only 9 persons are required in three shifts in a district.

6. In order to prove its case the sponsoring union has relied upon the pleading of the parties and examined one of the concerned workmen i.e. W.W-1 Tomi Rai whose name appears in Sl. No. 1 of the present reference. On the other hand, the management has examined two witnesses, namely, MW-1 R. N. Roy, who has been working as Agent of Lohapatti Colliery since 11-11-87 and MW-2 S. N. Choubey, Asstt. Manager of Lohapatti Colliery and introduced in evidence some wage sheets which have been marked Exts. M-1 to M-1/3.

7. As per Central Wage Board Recommendation workmen of the collieries have been classified into six following categories :

- (i) Category I—Unskilled.
- (ii) Category II—Semi-skilled lower.
- (iii) Category III—Semi-skilled higher.
- (iv) Category IV—Skilled (Junior).
- (v) Category V—Skilled (Senior).
- (vi) Category VI—Highly skilled.

As per Central Coal Wage Board Recommendations time-rated trammers have been placed in Category III (Semi-skilled higher) and clipman/pointsman/coupler/signalman/looseman have been placed in Category-IV (Skilled-Junior) with the following job description :

Designation :	job description
Trammer (Time-rated) :	
Clipman/Pointsman/ :	
Coupler/Signalman.	
Setrider/Setman/ :	
Looseman.	

A trammer is a workman who with or without the assistance of other trammer pushes or controls the travel of, full and empty tubs.

A workman who is engaged in coupling up the sets of trains of tubs in attending to the points of crossing which direct the travel of the tubs and in giving signals to the haulage khalasi.

A workman who accompanies the set of train of tubs when it is being hauled and who signals to the haulage khalasi prior to the tubs being moved.

8. It is the definite case of the sponsoring union representing the concerned workmen in the written statement that all the concerned workmen have been working as time-rated trammers since long with unblemished record of service. In answer to this statement the management has submitted that out of 23 concerned workman S/Sri Chakru Mahto No. III (Sl. No. 2) and Chunnilal Mahto (Sl. No. 23) are at present working as Haulage Khalasi (Tugger Khalasi). The management has further submitted that Channa Manjhi (Sl. No. 6) is at present working as Khalasi and Kalu Mahto (Sl. No. 12) is working as Miner/Loader, but the rest others have been working as Trammers in Category-III. Further the management has also submitted that Kailash Mahto (Sl. No. 14) has been working as Night Guard. In answer to this statement of the management the sponsoring union has denied all these facts and reiterated that all the concerned workmen were originally appointed as Trammers and they have been working in higher

category jobs, such as, looseman/signalman/clipman besides their original job of trammer. WW-1 Tony Raj is one of the concerned workmen. He has emphatically stated that all the workmen listed in the reference including himself have been working as Trammers in the colliery; he has denied that Chakru Mahto No. III, Chunna Manjhi No. I and Khalu Mahto have not been working as Trammers. In cross-examination he has denied that Chakru Mahto No. III and Chunnilal Mahto have been working as Tugger Khalasi in the colliery. He has also denied the fact that Chunna Manjhi No. I has been working as Khalasi and Khalu Mahto as Miner/Loader in the colliery. MW-1 R. N. Roy who has been posted as Agent of the colliery since 11-11-87 has stated that name Chunnilal Mahto has been appearing in wage-sheet as Tugger Operator (Ext. M-1 and M-1/1). He has further stated that the name of Khalu Mahto has been appearing in the wage-sheet as Tugger Khalasi. But he has been working as Night Guard although his designation has not been changed. He has further stated that Chunna Manjhi No. I and Kailash Mahto were working as Miner/Loader but since December, 1987 they have been designated as Trammers. Thus, from the pleadings of the management as well as from the evidence of MW-1 R. N. Roy, it has been established that Chunnilal Mahto has been working as Haulage Khalasi (Tugger Khalasi). The management has admitted that Chakru Mahto No. III has been working as Haulage Khalasi (Tugger Khalasi) but the wage-sheet discloses that he has been working as a Trammer in the Colliery. Be that as it may, there is no evidence on record that as Haulage Khalasi both of them have been operating less than 75 H. P. Haulage. That being so, automatically they are entitled to get higher wages available to Category-IV workmen. The management has also suggested, of course with respect to all the five workmen that may be paid difference of wages. In that event these two workmen are entitled to wages available to Category-IV workmen. Regarding three other workmen, namely, Chunna Manjhi No. I, Khalu Mahto and Kailash Mahto there exist variance between the case of the management and the evidence laid by the management. It is the definite case of the management that Chunna Manjhi No. I has been working as Khalasi. Khalu Mahto as Miner/Loader and Kailash Mahto as Night Guard. MW-2 R. N. Roy has stated that Chunna Manjhi and Kailash Mahto were earlier working as Miner/Loader and since December, 1987 they have been working as Trammers while Khalu Mahto was working earlier as Tugger Khalasi, but he is now working as Night Guard although his designation has not been changed. Sri Roy has not stated that as Tugger Khalasi he used to operate Haulage Engine less than 70 H.P. That being so, Khalu Mahto automatically is entitled to wages available to Category-IV workman. Since the case of the management with regard to the jobs performed by Chunna Manjhi and Kailash Mahto is at variance with the evidence of the management as emerging from the evidence of MW-1 R. N. Roy—according to the written statement of the management Chunna Manjhi No. I was working as Khalasi and Kailash Mahto as Night Guard while according to MW-1 R. N. Roy both Chunna Manjhi No. I and Kailash Mahto were earlier working as Miner/Loader and since December, 1987 they have been working as Trammers, I have no hesitation to hold that the contention of the management in this respect is not acceptable in view of the pleading of the sponsoring union in written statement and rejoinder and in view of the evidence of WW-1 Toni Raj who has stated that all of them have been working as Trammers. It is the emphatic case of the sponsoring union that all the concerned workmen were originally appointed as Trammers. This fact could have been either proved or dis-proved by producing the Form B Register which remains presumably in the custody of the management. But this register has not been produced. In the circumstances, I have no hesitation to hold that all the concerned workmen excepting Chakru Mahto No. III, Chunnilal Mahto and Khalu Mahto have been working as Trammers in the colliery and that the above three persons have been working as Haulage Khalasi/Tugger Khalasi/Tugger Operator in the colliery.

9. Since Chakru Mahto No. III, Chunnilal Mahto and Khalu Mahto have been performing duties of higher post i.e. of Category-IV workman they are entitled to get wages available to Category-IV workmen. It remains to be seen whether the demand of other 20 concerned workmen for Cat-IV wages for performance of higher jobs in addition to the job tramming is justified or not.

10. It has been pointed out in the written statement of the sponsoring union that the management has not appointed any separate set of workmen to perform the jobs of signalman, pointsman, looseman, coupler and tippler Khalasi in the rejoinder the management has simply denied this fact. No specific statement has been made by the management on this point. None of the witnesses for the management has vouched for the fact that the management engaged any set of workmen having the nomenclature as above. On the other hand, WW-1 Tony Raj has asserted in his statement that in Lohapatti Colliery there is no signalman, pointsman, looseman and coupler. He has not been cross-examined on this point. This being the position, it can be safely concluded that the management of Lohapatti Colliery has not in its employment any workman having the nomenclature of signalman, looseman, pointsman and coupler.

11. I have already pointed out the job description of Trammers vis-a-vis signalman, pointsman, clipman, coupler and looseman. It is not the case of the management that there exists no job available in the colliery which clipman, pointsman, signalman, looseman and coupler are required to perform. As a matter of fact both the witnesses for the management have had to admit that such jobs are not only available but required in the colliery in order to keep up the momentum of production.

12. In the circumstances, the question that necessarily comes to the fore of my consideration is to see if the concerned workmen excepting the three already left out by reason of their being employed in higher jobs, are engaged in doing the job of clipman, pointsman, signalman, coupler and looseman. I have already pointed out that evidence garnered on record firmly establishes the position that the management has not in its employ any separate set of workmen to perform the jobs of signalman, pointsman, looseman, coupler. The concerned workman have claimed that all of them have been doing the jobs of signalman, pointsman, clipman, looseman, coupler and tippler Khalasi. In order to decide this question it is necessary to ascertain if at all the concerned workman and if so, how many of them are required and employed in doing the jobs of workmen having the aforesaid nomenclature.

13. In the rejoinder to the written statement of the sponsoring union the management has stated that usually in an underground mine not more than three persons are required in a district in a shift for doing II the jobs of pointsman, clipman and signalman and thus only nine are required to the job in three shifts. This statement of the management is an admission of the fact that the colliery has been working in three shifts and that in each mining district and in every shift at least three workmen are required to do the jobs of pointsman, clipman and signalman WW-2 R. N. Roy has stated that there exists three inclines in Lohapatti colliery. That being so, there must be at least three mining districts in that colliery. I have already stated that the management has admitted that collieries working in three shifts and such being the position the total number of shifts in one day in each of the three inclines comes to nine and if three persons are required to work in a mining district in a shift in each day then the total number of signalman, pointsman, clipman must be at least 27.

MW-1 R. N. Rai seems to have tried to wriggle out of this position by stating that the concerned workmen are working in two inclines. But this is not the case of the management. MW-2 S. N. Choudhury, Asstt. Manager of the colliery has stated that there exists three inclines in Lohapatti colliery and all these three inclines work in three shifts. He has admitted that he cannot say which of the Trammers work in which group and in which incline they work and in which shift. The management has not produced any record to show that the concerned workmen have been working in two inclines. WW-1 Tony Roy has also not been cross-examined by the management on this point. Thus, the conclusion is reached that the colliery is working in three shifts and that there exists three inclines in the colliery and all the concerned workmen are engaged in work in these three inclines. Hence, the statement of MW-1 R. N. Roy, considered as rear guard action cannot undo the inescapable position that 27 workmen are required in three shifts and in three inclines to do the job having the nomenclature of signalman, pointsman, clipman and coupler.

In the present dispute for all practical purposes only 20 workmen are concerned leaving aside the three who have been working in different capacities as already stated above. Hence, it is probable for these 20 workmen to do the job of signalman, pointsman and clipman, late alone the job of coupler and looseman. Thus, it is seen by scanning and sifting the evidence that the claim of the concerned workman is not fantastic by any stretch of imagination, but pragmatic and down-to-earth.

14. Now it remains to be considered as to whether the concerned workmen (excepting 3 as mentioned above) have been doing the jobs of signalman, pointsman, looseman and coupler. W.W.1 Tony Rai has stated that in course of their duties as Trammers they have to push empty tubs on the line and in order to control the movement of tubs they have to fit the sprang on the tubs and that in the case of de-railment of the tubs it is their duty to put them back on rails. He has further stated that besides this they have to perform the jobs of signalman, looseman, pointsman and coupler. Coal, according to him, is loaded on face point and pushed to place known as 'golai'. Tubs are attached with the loose at 'golai' point and they thereupon change the point, and signal the tubs to proceed. Tubs are pulled up by haulages and such haulages exist in the mine, two in the mine and one on the surface. In cross-examination he has stated that it is the job of signalman to ring the bell and work of various types are undertaken on the basis of ring of bells. He has further stated that it is the job of clipman to clip two tubs together and it is the duty of pointsman to arrange the rails in such a way as to facilitate the movement of tubs and that the job of coupler is comparable to the job of clipman. His statement that the job of coupler is comparable to the job of clipman finds support from the job description of the Central Coal Wage Board Recommendations as I have already cleaned above.

15. MW-2 S. N. Choubey has stated that in one shift and in one Section there is no requirement for more than one workman to do the job of coupling and signalling. He has not stated how many Sections there are in the colliery. Even if it is assumed that there exists only one Section in one mining district, his statement cannot be believed in view of the definite admission of the management in the rejoinder to the written statement of the sponsoring union as I have pointed out above. He has admitted in cross-examination that one of the Trammers does the job of coupling tubs and that signal is given to the Haulage Khalasi by the Trammer. He has stated further that there exists two haulages between 'golai' and surface point and that from 'golai' point loaded tubs are lifted to underground haulage point and from underground haulage point the loaded tubs are lifted to the surface by another haulage. He has further admitted that when loaded tubs are tied to the surface haulage signals are required to be given and that before tipping the loaded tubs they are detached from the haulage and that after tipping empty tubs are attached to the haulage. Although he has stated that there is no necessity of giving signal when empty tubs are attached to the haulage in order to lowering them underground, he has admitted that before doing so warning is given but such warning is given orally from the surface. He has admitted that it is not possible to hear warning from 'golai' point given from the surface. MW-1 R. N. Roy has stated that in Lohapatti colliery loaded tubs are taken to the central place from the working place by the Trammers by the act of pushing and thereafter operation of coupling is done which is done by one Trammer, and thereafter these tubs are attached with haulage rope by one of the Trammers and then the Trammer gives signal to the Haulage Khalasi for hauling the tubs and before doing so they are required to check the point. He has admitted in cross-examination that the document showing which of the concerned workmen are deployed for duty as pointsman, signalman, looseman and coupler has not been filed. He has not stated that the management is not in a position to produce this document for reasons of insuperable difficulty. That being so, it can be concluded that the document which could have shed much light in the matter has not been produced by the management although the same remains in its custody. Hence, attempt made by the witnesses for the management to establish the fact that only one or two trammer are required for each shift to do the job of pointsman, signalman, coupler

and looseman must founder on the ground, specially so when this attempt is at variance with and departure from the unequivocal admission made in the rejoinder to the written statement of the sponsoring union.

16. Having regard to the testimony of WW-1 Tony Rai the pleading of the parties and other evidence on record I come to the conclusion that all the 20 concerned workmen (excepting 3 mentioned above) have been performing the jobs of pointsman/looseman/signalman and coupler.

17. It is the firm case of the sponsoring union that they have been doing these jobs since 1st May, 1972. W.W. 1 Tony Rai has also vouched for this fact. In the circumstances, there cannot be any earthly reason for not conceding to their demand for wages for doing the job of higher category with effect from 1st May, 1972.

18. Accordingly, the following award is rendered—the demand of the workmen of Lohapatti Colliery of M/s. B.C.C. Ltd. that 23 Trammers named in the Annexure to the schedule to the order of reference who are at present placed in Category-III (Semi-skilled higher), should be paid Category-IV (Skilled junior) wages for performing the duties of higher responsibilities pertaining to Category-IV in addition to their work as Trammers is justified and they are entitled to get Category-IV wages with effect from the date of nationalisation of the colliery on and from 1st May, 1972 with all past arrears.

In the circumstances of the case there will be no order as to cost.

BEFORE THE CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL (No. 2) AT DHANBAD

PRESENT :

Reference No. 230 of 1986

In the matter of an industrial dispute under Section 10(1)(d) of the I.D. Act, 1947.

PARTIES :

Employers in relation to the management of Loyabad Colliery of M/s. Bharat Coking Coal Ltd. and their workmen.

APPEARANCES :

On behalf of the workman.—Shri J. P. Singh, Advocate.

On behalf of the employers.—Shri G. Prasad, Advocate.

STATE : Bihar. INDUSTRY : Coal.

Dated, Dhanbad, 16th November, 1988

AWARD

The Govt. of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the

I.D. Act., 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(8)/86-D.III(A), dated, the 4th July, 1988.

THE SCHEDULE

"Whether the action of the management of Loyabad Colliery of Bharat Coking Coal Ltd., in superannuating from service their workman, Shri Chhotu Chamar (I.D. No. TR/39948) from 1-1-1986 was justified? If not, to what relief the said workman is entitled?"

The case of the workmen is that the concerned workman Shri Chhotu Chamar was working in Loyabad colliery. He was appointed by the then erstwhile owner Burrakar Coal Co. on 1-1-53. He is a harijan and had no schooling and is illiterate. At the time of his first appointment his date of birth was not mentioned in the Form B Register. The then colliery Manager had not asked him about his age or date of birth in order to make entries in Form B Register. He continued to work in the said colliery and as he was in the said colliery at the time of nationalisation and its take over by M/s. BCCL, his services were also taken over by M/s. BCCL. After nationalisation M/s. BCCL prepared fresh colliery record. In 1976 the concerned workman was issued with an identity card showing that he was born in the year 1925. At the time of his first appointment in 1953, the concerned workman was hardly 18 years of age. According to his calculation his year of birth was in the year 1935. The management of M/s. BCCL arbitrarily recorded his year of birth as 1925 and superannuated him on 1-1-86 taking 1925 as the year of his birth. The concerned workman and his union RCMS protested against the premature retirement and also prayed for the correction of this date of birth in the colliery records. The management did not make any correction in the record regarding the date/year of birth of the concerned workman. The concerned workman and his union also requested the management to get his age determined by the medical board, but the said request was also not heeded to by the management. The records of the colliery maintained by the erstwhile management are in possession of the present management. The Form B Register of the erstwhile management was handed over to the BCCL at the time of take over and it will show that there was no record of age of the concerned workman in Form B Register. The age of the concerned workman recorded in the Form B Register by the present management is arbitrary. As the management has indulged in unfair labour practice by refusing to get the age of the concerned workman determined by the medical board. On the above facts it has been prayed that the retirement of the concerned workman with effect from 1-1-86 is not justified and that the management be directed to get the concerned workman examined by the medical board for the determination of his age and he should accordingly be reinstated to his original job with back wages.

The case of the management is that as per Form B Register and other statutory records of the colliery the date of birth of the concerned workman as per his declaration has been recorded as 1925 which he accepted by putting his LTI against the said entry in the Form B Register. The concerned workman did not protest regarding the said year of his birth even identity card was issued to him showing his year of birth as 1925. The date of birth once recorded in the records of the colliery cannot be questioned after decades of his appointment. The concerned workman was throughout conscious of his age and as such he should not be allowed to change his date of birth at this belated stage when he has already been superannuated. He had represented a particular date of birth at the time of his employment and now it is not open to him to assert that the date of his birth had been incorrectly recorded and should be assessed or corrected after his superannuation. The concerned workman has been rightly superannuated when he had completed his age of 60 years which is the age prescribed for superannuation of a workman in the colliery. The age of the concerned workman recorded in the Form B Register as 1925 is correct and the allegation that his date of birth was 1935 is not correct. On the above facts it has been submitted on behalf of the management that the concerned workman has rightly been superannuated after he completed the age of 60 years and that the concerned workman is not entitled to any relief.

The only point for decision in this reference is whether the concerned workman has been superannuated after completing his 60 years of age.

The management and the workmen have each examined one witness in support of their respective case. The documents of the management have been marked Ext. M-1 and M-2. The documents of the workmen have been marked Ext. W-1 to W-5.

It is now admitted case of the parties that the workman in BCCL is superannuated after attaining the age of 60 years. It is also admitted that the concerned workman is an illiterate person as it has been stated by the management that the concerned workman had given his LTI on the records of the management. It is also admitted that the concerned workman was appointed by the erstwhile management on 1-1-53 and since then he was working there and after the said colliery was taken over by BCCL the concerned workman, continued working in Loyabad colliery under BCCL. According to the management the concerned workman has been superannuated on the basis of the entry of his date of birth in Form B Register. Ext. M-1 is the Form B Register which shows that the concerned workman Chhotu Chamar was born in the year 1925 and that he retired on 1-1-86. Ext. M-2 is the Identity Card Register prepared by M/s. BCCL after take over which also shows that the year of birth of the concerned workman was recorded as 1925. The concerned workman has produced no documents of his date/year of birth. MW-1 Shri Munshi Yadav is working as Clerk in the personnel department of Loyabad Colliery. He has stated that Form B Register Ext. M-1 was prepared when Loyabad colliery belonged to Bird and Co. He has also proved the writing in Ext. M-1 and has stated that the said Form B Register is in the writing of Shri B. D. Singh. He has further stated that the concerned workman has been retired on the basis of the entry of his age in Ext. M-1. He has frankly stated that the extract of Form B Register field in this case will not denote if it is prepared by the Bird & Co. He has also stated that the identity card register Ext. M-2 was prepared in 1976 by M/s. BCCL. WW-1 Chhotu Chamar is the concerned workman himself. He has stated that the management had issued identity card when the colliery was taken over by BCCL. He has himself produced his identity card Ext. W-4 which finds the same entry regarding the year of birth as in the identity card register Ext. M-2 and Form B Register Ext. M-1. In cross-examination he has stated that he does not remember if he had stated his age at the time of his appointment although he had stated his father's name and address at the time of his appointment. He has also stated that he does not remember if he had stated at that time that he was born in the year 1925. He has admitted that he had given his LTI on the register containing his age and address. The Form B Register Ext. M-1 contains his LTI and father's name and village address which he admits. He has not specifically denied in his cross-examination that he had not stated 1925 as the year of his birth. It appears, therefore that the concerned workman is trying to suppress the fact of his year of birth and therefore he had not the hardihood to deny straightaway that his year of birth was not 1925 and that he was born in 1935.

WW-1 has stated in his evidence that he had orally told the officers of the management that his age was wrongly recorded in Form B Register and identity card register. In cross-examination he has stated that he had not made any complaint before the erstwhile management or to the present management regarding his wrong age in writing and that he cannot say if his year of birth has been noted as 1925 in Form B Register and the identity card register. The fact that the concerned workman had received the identity card Ext. W-4 in the year 1976 in which his year of birth was mentioned as 1925 shows that the concerned workman had full knowledge about his date of birth as 1925 in the records of the management. But even then the concerned workman did not make any representation in writing for its correction soon after he had received the identity card and as such it appears that he was admitting the said year of his birth and therefore had not protested at the relevant time.

There is nothing on the record to show that there was any variation in different records of the management regarding the date/year of birth of the concerned workman and

as such the year of his birth mentioned as 1925 in Form B Register has to be accepted. It is only when there is variation of age in the different records maintained by the management that the concerned workman is sent to the management for the determination of his age. In the present case it appears that the year of birth of the concerned workman was recorded as 1925 in Form B Register of the erstwhile management and there is no other record to show that the year of birth of the concerned workman was different from the year of his birth recorded in Ext. M-1 and as such it is not a fit case in which the concerned workman has to be referred to the medical board for the determination of his age. Moreover there is nothing on the record in support of the case of the workman that the concerned workman was born in the year 1935.

Taking all the evidence into consideration it appears that the concerned workman was born in 1925 and he has been rightly superannuated after he completed 60 years of his age calculated on the basis of his year of birth, 1925.

In the result I hold that the action of the management of Loyabad Colliery of M/s. BCCL of superannuating from service the concerned workman Shri Chhatu Chamar from 1-1-86 was justified. Accordingly the concerned workman is not entitled to any relief.

This is my Award.

Dated, the 27th October, 1988

AWARD

By Order No. L-20012(213)/81-D.III(A), dated the 25th January, 1985, the Central Government in the Ministry of Labour has, in exercise of the powers conferred by clause (d) of sub-section (1) of Section 10 of the Industrial Disputes Act, referred the following dispute for adjudication to this Tribunal :

“Whether the action of the management of Noonodih Jitpur Colliery of Messrs Indian Iron and Steel Company Limited in refusing the request for a job by Smt. Isha Khatoon, depending wife of Late Shri Rushtam Khan, an ex-employee of the said Colliery in terms of para 10.4.1 of the National Coal Wage Agreement-II is justified ? If not, to what relief she is entitled ”

2. The case of the management of Noonodih Jitpur Colliery of M/s. Indian Iron & Steel Co. Ltd., details apart, is as follows :—

The claim of Smt. Isha Khatoon dependant wife of late Rushtam Khan is not legally tenable nor constitutionally admissible. Rushtam Khan was employed under the management of Noonodih Jitpur Colliery of M/s. Indian Iron & Steel Co. Ltd. He absented from duty from 3-4-1976 without any permission or satisfactory cause. This constituted misconduct within the meaning of certified Standing Order of the Colliery. The management sent him a letter under Registered Post with acknowledge due on 17-7-76 at his home address stating that he had abandoned his employment voluntarily and that if the management did not hear from him to the contrary within a week, his services would be terminated. There was no response to the said letter. Accordingly the management terminated his services by letter dated 30-8-1976 and struck off his name from the rolls of the Colliery. However, since the legal position underwent some change in view of the decision of the Hon'ble Supreme Court of India, the management, without prejudice to the action already taken by it, issued a chargesheet in November, 1982 to him. After receiving the chargesheet Smt. Isha Khatoon claiming to be his wife took the plea that Rushtam Khan had died and she claimed employment in his place. No documentary proof of the death of Rushtam Khan was produced by Isha Khatoon and that there was no evidence to show that he died after 1-1-79, after the National Coal Wage Agreement-II came into force. Anyway, the management decided to hold domestic enquiry and issued notice of enquiry to Rushtam Khan. As he failed to turn up before the Enquiry Officer, the management held an ex parte enquiry in which his guilt was established. On the basis of the findings of the Enquiry Officer he was dis-

missed from service by letter dated 28-5-1984. In the circumstances, the entire claim of the sponsoring union in the present case is totally false and baseless.

3. The case of Smt. Isha Khatoon as represented by the sponsoring union, namely, Coalfield Labour Union in the written statement, is as follows :

Rushtam Khan was a permanent employee of Noondih Jitpur Colliery. He went on Haj pilgrimage on sanctioned leave along with others who on their return informed the dependant wife on 28-12-82 that Rushtam Khan was no more in the land of living. The management was not unaware of the above fact and issued a letter dated 6-11-82 at his permanent address. In response to that letter his dependant wife personally delivered a written reply to the management that her husband had died and therefore the show-cause notice as contained in that letter had become infructuous and necessary action for going employment to her should be taken. Before conciliation proceeding the management by its letter dated 28-4-1984 submitted that no action could be taken for offering employment to the dependant wife of Rushtam Khan unless and until it could be established legally and through a domestic proceeding that Rushtam Khan had actually died. In consideration of the submission of the management, the Conciliation Officer granted time for one month of the management and stated temporarily further proceeding of conciliation. Even after expiry of the period of one month the management failed to offer employment to Isha Khatoon although the domestic proceeding by the management had already been completed. As a result, the dispute was re-opened for consideration. The management by letter dated 17-2-84 submitted before Conciliation Officer that since Rushtam Khan was given full opportunity to explain to the satisfaction of the management regarding his absence from duty and since he had not explained satisfactorily by physically presenting himself before the Enquiry Officer in enquiry proceeding, the question of giving employment to his dependant did not arise. The unfortunate widow of Rushtam Khan informed the management by letter dated 11-11-85 that her husband while he had gone to Haj pilgrimage and as proof he filed original certificate from Imam and Mukhia. Hence the question of physical appearance of Rushtam Khan did not and could not arise. Anyway, Conciliation Officer reported to the appropriate Government about failure of conciliation. In the circumstances, the union has claimed that Isha Khatoon widow of Rushtam Khan is entitled to get employment in place of her deceased husband.

4. In the rejoinder to the written statement of the sponsoring union the management has admitted that Rushtam Khan was a permanent workman of the management, but has denied that he obtained any sanction of leave from the management or that he had gone to 'Haj' 'Pilgrimage' after taking such leave. It is likely that Rushtam Khan had died but his death must have taken place in 1976. The management has denied that the claimant Isha Khatoon received any news of death of her husband through the colleagues of Rushtam Khan. In the conciliation proceeding the sponsoring union informed the Conciliation Officer that Rushtam Khan proceeded on leave to Ajmer Sharif and while returning he fell ill and died. This statement has been re-produced in the letter of the Ministry of Labour dated 12/15th October, 1984 addressed to the Department of Steel, Government of India, New Delhi. The inconsistency in the statement of the union exposes the falsehood of the entire case. Chargesheet was issued to Rushtam Khan on 4-11-82 and Smt. Isha Khatoon submitted her reply dated 8-11-1983 to the chargesheet, but in the said reply she did not advance any story of her husband having gone either to Ajmer for Haj. She simply stated there that Rushtam Khan was missing since April, 1976 and his whereabouts could not be known in spite of all possible efforts. The management has submitted that the provisions of National Cost Wage Agreement-II have no application in the case of death of employees taking place prior to 1-1-1979 when the NCWA-II came into force. In the circumstances the

management has submitted that the claim of Isha Khatoon as dependant wife of Rushtam Khan is not justified.

5. In the rejoinder to the written statement of the management the sponsoring union has submitted that the present dispute is legally tenable and constitutionally admissible. It has been submitted by the union that Rushtam Khan did not abandon his employment nor was his services duly terminated by the management before his death. As a matter of fact the management was also looking for Rushtam Khan and information about his death reached the management from his wife Isha Khatoon who applied for employment in place of her late husband. She also submitted death certificate of her husband and other documentary evidence in support of the death of her husband. In the circumstances, the union has claimed that the action of the management in denying employment to Isha Khatoon is not justified.

6. The management examined two witnesses in this case, namely, MW1 R. Mohan, presently holding the post of Dy. Manager (Personnel) in Noondih Jitpur Colliery and MW-2 P. C. Tiwary, presently holding the post of Asstt. Manager (Personnel) and introduced in evidence a mass of documents which have been marked Exts. M-1 to M-9. On the other hand, the sponsoring union has examined as many as five witnesses including the claimant Isha Khatoon and laid in evidence of sheaf of documents which have been marked Ext. W-1 to W-7.

7. It is undeniable fact that Rushtam Khan was a permanent workman of Noondih Jitpur Colliery. It appears from the rejoinder of the management to the written statement of the sponsoring union that he was working as General Mazdoor.

8. There appears to be no dispute with regard to the fact that Rushtam Khan absented himself from duty from 3-4-76. The sponsoring union has taken the position that he went on pilgrimage to Haj on sanctioned leave. But there exists not a whitening of evidence indicative of the fact that Rushtam Khan proceeded on sanctioned leave. However, although continuous absence without permission and without satisfactory cause for more than ten years is considered to be a misconduct under clause 27(16) of the certified Standing Order, the management sent a notice to the home address of Rushtam Khan stating that he had abandoned his service and that if the management did not hear anything from him to the contrary from him his name would be struck off from the company's roll (Ex. M-1). Thus, it is seen that the management without making any domestic enquiry into the misconduct of Rushtam Khan for his absence from duty without leave and information since 3-4-1976, sent a notice to him under registered post stating that he had abandoned his service. The position taken by the management is strange and inexplicable. However, in that notice (Ext. M-1) the management stated that if they did not hear from him anything to the contrary within a week his name would be struck off from the company's roll. Admittedly, the management did not hear anything from him and by order dated 30-8-76 the name of Rushtam Khan was struck off from the company's roll on the ground of abandonment of service (Ext. M-3).

The certified Standing Order of the company does not envisage any provision for automatic termination of service of any employee by striking off the roll for reasons of unauthorised leave or absence. On the contrary, the certified Standing Order envisages the provision of a departmental enquiry for continuous absence without permission and without satisfactory cause for more than ten years. In the circumstances, the action of the management in removing the name of Rushtam Khan from the roll of the company as manifested in its Office Order dated 30-8-1976 (Ext. M-3) is not justified.

9. However, it appears that wisdom descended on the management of the company at long last. The management decided to hold departmental enquiry and as a prolude to that issued a charge-sheet against Rushtam Khan stating that since he had been absenting from duty without leave and without permission from April, 1976, he was charged with misconduct under clause 27(16) of the certified Standing Order (Ext. M-4). This chargesheet was issued on 4-11-82. At this stage Smt. Isha Khatoon made her presence

fell she reported of the management by a letter that a letter of the management dated 14-12-82, was received by a person having the same name as her husband Rushtam Khan and thereafter receiving the said letter from that person she reported that she is the wife of Rushtam Khan and that her husband had been missing since April, 1976 and that all efforts for tracing him having failed, his 'Shradh ceremony', according to advice of 'PESH IMAM' was held on 17-4-79. She submitted the necessary advice of 'PESH IMAM' and certificate of Mukhya of Gram Panchayat along with her letter which is dated 8-1-83 (Ext. M-5). Isha Khatoon disputed this letter when she was confronted with a copy thereof in cross-examination to be authorised at her instance was submitted by her. But there is no escape from the position that this letter was submitted by her to the management. It appears from the record that a photo copy of the letter was submitted on her behalf by the sponsoring union before this Tribunal. MW-1 R. Mohan has stated in his examination-in-chief that this letter dated 8-1-83 was received by them from Isha Khatoon in reply to the chargesheet. He has not been cross-examined on this point. He has further stated in cross-examination that the letter of Isha Khatoon (Ext. M-5) accompanied two documents which have been marked Ext. W-2 and W-4. This being so, I come to the conclusion that the letter dated 8-1-83 was submitted by Smt. Isha Khatoon, the claimant, and that this letter accompanied two other documents which have been marked Exts. W-3 and W-4. Ext. W-3 states that Rushtam Khan has been missing and that his 'Shradh' was performed on 17-4-79. Ext. W-4 is the certificate of Mukhya, Sachidanand Prasad Sinha, dated 25-12-82 stating that Rushtam Khan had been missing for the last three years and that according to villagers and 'PESH IMAM' 'Chaliswa' (Shradh) was performed on 17-4-79. Thus, it is seen that in none of these documents Smt. Isha Khatoon informed the management that her husband was dead. She asserted that her husband had been missing for a couple of years and that his 'Chaliswa' (Shradh) was performed on 17-4-79.

10. At the time of hearing the sponsoring union and the claimant have taken the position that Rushtam Khan died while he was on pilgrimage to Ajmer Shariff. Smt. Isha Khatoon figuring as WW-1 has stated that her husband was suffering from a wound inside the mouth and that in spite of his treatment at colliery hospital he did not come round on that some people advised to send him on pilgrimage to Ajmer Shariff with a view to cure his ailment by offering prayer to the Almighty. Not a whit of evidence has been produced to show that Rushtam Khan was suffering from a wound inside his mouth which did not heal up by undergoing treatment in colliery hospital. Anyway, she has stated that Md. Sultan is the person who accompanied her husband Rushtam Khan on pilgrimage to Ajmer Shariff and that her husband went on pilgrimage to Ajmer Shariff in January, 1979 and that in Phalgun, 1979 Md. Sultan told her that her husband's wound went on increasing and he succumbed to his wound and that Sultan and others did his burial there. Sultan figuring as WW-2 has stated that Rushtam Khan went with him on pilgrimage to Ajmer Shariff and that he breathed his last on 1-3-1979 and that he informed the wife of Rushtam Khan about the death of her husband. In cross-examination he has stated that they did not ascertain from any Doctor that Rushtam Khan was dead. He has also admitted that they did not report his death to the police or to the local Municipal Office. They simply reported the matter to the local Anjuman Islamia. WW-3 Md. Janual Abedan Khan is the brother of Rushtam Khan's mother's sister. He has got no personal knowledge about the death of Rushtam Khan. He does not know even if Rushtam Khan was found missing. WW-4 Md. Sultan is a social worker. He is the General Secretary of Anjuman Islamia. According to him the function of Anjuman Islamia is to give burial of un-claimed dead bodies and perform last rites of the deceased. He has stated that they do not maintain any register about performance of last rites, but has admitted that a register is maintained for burial of dead bodies at grave yard. According to WW-2 Md. Sultan, the burial of Rushtam Khan took place in Ajmer Shariff, but the burial register which is considered to be one of the best evidence has not been produced. WW-5 Md. Hafiz is the father-in-law of Rushtam Khan. He has claimed to have been reported about the death of Rushtam Khan from Md. Sultan on 5th or 6th March, 1979. Thus, it is seen that the persons who are reportedly having personally knowledge about the death of Rushtam Khan is Md. Sultan.

There is none to corroborate his evidence. According to WW-4 Md. Sultan burial of dead body is registered at the grave yard and so in the present case the sponsoring union and the claimant could have produced the burial register in order to land firm support to the evidence of Md. Sultan (WW-2). But this they have not done with the result a dense cloud of suspicion is raised over the matter.

11. This suspicion cannot be avoided and ignored, but holds firm grip over the matter if the statement made in the written statement of the sponsoring union is considered. In para 2 of the written statement the union has stated :

"He (Rushtam Khan) had gone to 'Haj Pilgrimage' on sanctioned leave along with others who on their return informed the dependant wife of late Rushtam Khan on 28-12-82 that Rushtam Khan was no more and he died."

Thus, it is seen that the emphatic case of the sponsoring union is that Rushtam Khan went on 'Haj Pilgrimage' and that he died there. But the case as made out by the sponsoring union at the time of hearing is that Rushtam Khan died while he was on pilgrimage to Ajmer Shariff and that he went to Ajmer Shariff in order to offer prayer to Almighty to cure him of his affliction, but as reason has been made out in the written statement. In any event there is a poignant discrepancy in the case as made out in the written statement and the case as made out at the time of hearing—the case as made out in the written statement is that Rushtam Khan went on 'Haj Pilgrimage' while at the time of hearing a case has been made out that he was on pilgrimage to Ajmer Shariff. There is yet another fly in the ointment. According to written statement Isha Khatoon dependant wife of Rushtam Khan was informed on 28-12-82 that Rushtam Khan was no more and he died. But according to the testimony of Isha Khatoon she was reported about the death of her husband by Md. Sultan in Phagun, 1979. Md. Sultan has stated that he informed Isha Khatoon about the death of her husband on 5-3-79. Thus, it is seen that as regards the report of death the evidence at the time of hearing is inconsistent with what has been stated in the written statement.

12. I have already pointed out that Isha Khatoon wrote to inform by letter dated 8-1-87 that her husband was missing since April, 1976 and that his 'Shradh' was performed on 17-4-1979 when all efforts to trace him had failed (Ext. M-5). This letter does not speak of the death of her husband. This is also very significant.

Performance of 'Shradh' is not conclusive evidence of the proof of death of any person. Upon consideration the evidence on record I have no hesitation to hold that the sponsoring union has not been able to prove with any degree of assurance that Rushtam Khan had left the land of living. Section 108 of the Evidence Act reads as follows :

"When the question is whether a man is alive or dead, and it is proved that he has not been heard of for seven years by those who would naturally have heard of him if he had been alive, the burden of proving that he is alive is shifted to the person who affirms it."

The present industrial dispute was made by the appropriate Government on 25-1-1985. From that date counting backwards seven years have not expired and so the benefit of this Section does not ensue to the sponsoring union.

13. Since it has not been proved with any measure of assurance that Rushtam Khan is dead, the question of giving employment to his wife Isha Khatoon as dependant wife of her husband in terms of para 10.4.1 of N.C.W.A. II does not arise.

14. It appears that the management held domestic enquiry in absence of Rushtam Khan and dismissed him from service by letter dated 28-5-1985 with immediate effect (Ext. M-8). It is not necessary to consider the justification and propriety or otherwise of this order of dismissal since the main question that confronted this Tribunal has already been answered.

15. According to the following award is rendered—the action of the management of Noomidhi Jitpur Colliery of M/s. Indian Iron and Steel Company Limited in refusing the re-

quest for a job by Smt. Isha Khatoon dependant wife of late Rushtam Khan, an ex-employee of the said colliery in terms of Para 10.4.1 of the National Coal Wage Agreement-II is justified for reasons stated above.

In the circumstances of the case the parties are to bear their own costs.

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I. D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-29012/204/86-D.III (A), dated, the 2nd January, 1987.

SCHEDULE

"Whether the demand of United Coal Workers' Union that the management of Gopalchhak Colliery of M/s. Bharat Coking Coal Limited should pay wages for idle period from 22-11-1985 to 10-3-1986 to their workman, Shri Bhuneshwar Ram, Filter Plant Pump Operators is justified? If so, to what relief is the concerned workman entitled?"

In this case only the workmen filed their Written Statement. Thereafter a few adjournments were granted to the management for filing their W.S. But subsequently both the parties appeared before us and filed a Joint compromise petition. I heard them on the said petition of compromise and I do find that the terms contained therein are fair, proper and beneficial to both the parties. Accordingly I accept the same and pass on Award in terms of the Joint Compromise petition which forms part of the Award as Annexure.

AWARD

The Central Government in the Ministry of Labour vide its Order No. L-11011(3)/80-D.II(B) dated 9th March, 1982 has referred the following industrial dispute to this Tribunal for adjudication :—

“Whether the action of the management of Indian Airlines Delhi Region, New Delhi, in not correcting the position of Shri S. K. Kapoor, M. T. Mechanics in the seniority list when they have paid him arrears of pay, D. A. and consolidated allowances for the period from 1st January, 1955 to 31st July, 1965, is justified? If not, to what relief is the concerned workman entitled?”

2. The attitude of the Air Corporation Employees Union through whom this dispute has been raised has been lukewarm and perfunctory throughout. Once before, the Union failed to file claim statement and even to put in appearance, with the result that my predecessor Shri O. P. Singla vide Award dated 2-8-83 observed that the workman was not interested in the dispute raised and gave a “No Dispute” Award. It was only on 24-11-1983 that an application was moved for setting aside the ex parte award. Even after the setting aside of the Ex parte award on numerous occasions none appeared on behalf of the Union. On 12-9-88 none appeared for the Union. On the adjourned date 17-10-88 again none appeared for the Union. Today again none is present on behalf of the Union. It is, therefore, apparent that neither the workman nor the union is interested in pursuing this dispute. Accordingly, “No Dispute” Award is given and this reference is disposed of accordingly.

INTERIM AWARD

By Order No. L-42011(18)/75-D. II(B) dated 23rd May, 1977, the Government of India, Ministry of Labour referred the following dispute to this Tribunal for adjudication :

“Whether the discontinuance of employment of 464 workers of their Siliguri Depot with effect from 21-7-75, by the management of Food Corporation of India is lawful and justified? If not to what relief are the workers entitled?”

2. In short, the case of the Food Corporation of India Workers Union (the Union for brief) expounding the cause of the workmen is as follows : Previously at its Siliguri Depot the Food Corporation of India (Corporation for brief) engaged Contractors for employment of Labour to handle foodgrain bags on piece rate basis as fixed by the Corporation. The

work was done under the control and supervision of the Corporation. In the Siliguri Depot of the Corporation, 464 handling mazdoors as mentioned in the list annexed to the written statement of the Union used to work in the said manner. The Union by a letter requested the Managing Director of the Corporation for bringing the said workmen under the direct payment system. By an agreement on 20-1-1973 between the Union and the Corporation all the concerned workmen of Siliguri Depot came under direct payment system with effect from January, 1973 and the said system went on upto 27-1-1975. On 28-1-1975, the said workmen of the Union went on strike till 9-3-1975. On and from 10-3-1975, the Corporation changed the old practice of direct payment system without giving any notice under section 9A of the Industrial Disputes Act, 1947 and without the consent of the workmen concerned. On and from 21-7-1975, the Corporation discontinued the employment of the aforesaid 464 workmen of the Siliguri Depot and revived the old contractor system of employment of labour. The Union protested against the action of the Corporation. According to the Union the aforesaid 464 workmen were employees in the service of the Corporation and the discontinuance of their such service by the Corporation was illegal and unjustified. The dispute raised by the Union in this respect ultimately resulted in the reference.

3. The Corporation contested the reference contending inter-alia that ordinarily the handling of foodgrains at various depots was entrusted to a Contractor who used to employ his own workmen and that the said system of employing the Contractor was unavoidable because the receipt and distribution of the foodgrains at various depots was not a continuous process but solely dependent upon the transport system and the work was of fluctuating nature. The Corporation no doubt admitted that direct payment system was introduced at Siliguri Depot but the Corporation contended that the Contractors were replaced by the Sardars of the workmen concerned who were however not accepted as workmen of the Corporation. It was contended that the Sardar replaced the contractor but the system remained the same and that the workers were paid the same rate as were paid to the Contractors and at no point of time the workmen became the direct workmen of the Corporation. It was further contended that the strike committed by the workmen had to be discontinued on account of prohibitory order by the appropriate government and from 10-3-1975 the payment was being made to the workmen concerned through intermediaries like Gang Sardars or nominated representatives who were treated for all practical purposes as contractors. It was further contended that section 9A of the Industrial Disputes Act, 1947 was not attracted because they were not the workmen of the Corporation and there was no change in the condition of service.

4. The then Presiding Officer Mr. Justice R. Bhattacharya passed the Award dated 29th August, 1980 rejecting the demand of the workmen concerned by holding inter-alia that the workmen concerned were never the employees of the Corporation.

5. On appeal in Civil Appeal No. 1055 (NL) of 1981 against the aforesaid Award of the Learned Presiding Officer, the Hon'ble Supreme Court on a

detailed discussion in their judgement found that the 464 workmen concerned became the workmen of the Corporation and that a direct master-servant relationship came into existence. The Hon'ble Supreme Court found also that when once on the introduction of the direct payment system, the workmen acquired the status of the workmen of the Corporation, then it was not open to the Corporation to unilaterally discontinue the system without the consent of the workmen and reinduct the contractor and treat its workmen as the workmen of the contractor.

6. The Hon'ble Supreme Court on the aforesaid findings amongst others allowed the appeal, set aside the impugned Award and remitted the case to the Tribunal with the direction in the judgement in the following manner as quoted below :

"In view of the discussion, this appeal has to be allowed and the award of the Tribunal rejecting the reference and denying the benefit must be quashed and set aside and an award be made that the aforesaid 464 workmen who had become the workmen of the Corporation continued to be the workmen employed by the Corporation and shall be entitled to all the rights, liabilities, obligations and duties as prescribed for the workmen by the Corporation. A formal award to that effect shall be made by the the Tribunal.

As it was stated before this court that these workmen continued to be employed, undoubtedly under the contractor since illegal change was introduced, the question of paying back wages does not arise. The Tribunal however, must satisfy itself before making the final award whether any workman was denied work and consequently wages. The Corporation shall pay costs quantified at Rs. 10,000/- to the appellant —Union."

For the sake of convenience the aforesaid two paragraphs will be described as penultimate first paragraph and penultimate second paragraph.

7. After the remand of the case, the Union representing the aforesaid 464 workmen has filed the application dated 28-2-1986 requesting this Tribunal for making the interim formal award in the light of the direction given by the Hon'ble Supreme Court in the penultimate first paragraph as the applicants would have to collect all the materials and the records to establish the number of workmen who were actually denied the work and consequently the wages and to enable the Tribunal to make the final award in the light of the direction as given by the Hon'ble Supreme Court in the penultimate second paragraph.

8. The aforesaid application of the Union has been opposed by the Corporation by filing their written objection dated 3rd May, 1988 contending inter-alia that in fact and reality 464 workmen as alleged by the Union had no existence at all and that no interim formal award can be made without determination of the actual number of the workmen who would be entitled to get the benefits in the light of the direction of the Hon'ble Supreme Court.

9. Mr. Mitra appearing for the Union has submitted that the Hon'ble Supreme Court by their direction in the judgement has directed this Tribunal to make two awards. According to him the formal award would have to be made by this Tribunal with regard

to the status of the workman first in accordance with the direction of the Hon'ble Supreme Court in the penultimate first paragraph and that the said formal award should be the interim formal award as prayed for by the Union in their application dated 28-2-1986 under consideration; and the Tribunal would be under obligation to make the final award with regard to the benefits of the eligible workmen on a proper enquiry in the light of the direction of the Hon'ble Supreme Court given in the penultimate second paragraph. Mr. Mitra has further submitted that in view of the Hon'ble Supreme Court's use of the words "formal award" in the penultimate first paragraph and "final award" in the penultimate second paragraph, he is not using the word interim award in his submission although the Union has come with the definite prayer by their application dated 28-2-1986 for making the interim formal award. According to Mr. Mitra, the determination of the dispute with regard to the benefits to be obtained by the eligible workmen out of the 464 workmen concerned, would take a considerable time as the Union would have to collect materials and records in this respect and this should not debar any longer the 464 workmen concerned whose status as the workmen of the Corporation, has been determined by the Supreme Court in their judgement, to get the declaration to that effect on the basis of the making of the interim formal award in the light of the direction of the Hon'ble Supreme Court in the penultimate first paragraph.

10. Mr. Ghosh on the other hand has submitted that the Hon'ble Supreme Court has nowhere directed that this Tribunal would have to make two awards. According to Mr. Ghosh, the use of the words "formal award" in the penultimate first paragraph means that this Tribunal would have to give the form of the award to the decision already arrived at by the Hon'ble Supreme Court with regard to the status of the determined by the Supreme Court in their judgement, would have to be given by this Tribunal while making the final award on determination of the question of the benefits to be obtained by the eligible workmen in the light of the direction of the Hon'ble Supreme Court in the penultimate second paragraph. Mr. Ghosh is very emphatic to submit that the use of the words "final award" in the penultimate second paragraph qualifies formal award and has submitted that this Tribunal would have to give the form of the award in the light of the direction of the Hon'ble Supreme Court in the penultimate first paragraph because according to him the Hon'ble Supreme Court has directed the Tribunal to make one and single award which would be final award with regard to the questions of the status of the workmen as also of the benefits to be obtained by the eligible workmen concerned.

11. Mr. Chatterjee who has been permitted by this Tribunal's Order dated 27-9-1988 to make his submission in respect of some of the workmen out of the aforesaid 464 workmen concerned has supported the submission of Mr. Ghosh at the time of his argument.

12. This Tribunal has been directed by the Hon'ble Supreme Court in their judgement in the Civil Appeal as referred to above to act in the light of the directions as given in the penultimate first and second paragraphs of the said judgement. In the penultimate first paragraph the direction of the Hon'ble Supreme Court is as follows : "An award to be made that the

afore-mentioned 464 workmen who had become the workmen of the Corporation continued to be workmen employed by the Corporation and shall be entitled to all the rights, liabilities, obligations and duties as prescribed for the workmen by the Corporation. A formal award to that effect shall be made by the Tribunal". In the penultimate second paragraph the direction of the Hon'ble Supreme Court has been given in connection with the back wages to be obtained by the eligible workmen out of 464 workmen and the direction given therein runs as follows : "The Tribunal however must satisfy itself before making the final award whether any workmen was denied work and consequently wages."

13. The use of the words "formal award" in the penultimate first paragraph and the words "final award" in the penultimate second paragraph, appears to have created confusion amongst us, the Learned Lawyers on both sides and the Tribunal. According to Mr. Mitra, the Learned Counsel for the Union, the aforesaid directions of the Hon'ble Supreme Court require this Tribunal to make two awards namely, the first formal award with regard to the status of the workmen concerned and their entitlement to the rights, liabilities etc. in the light of the direction given by the Hon'ble Supreme Court in the penultimate first paragraph and the second final award with regard to the back wages of the eligible workmen out of the 464 workmen concerned on proper enquiry in the matter in the light of the direction as given by the Hon'ble Supreme Court in the penultimate second paragraph. The petition of the Union under consideration upon which Mr. Mitra has made his submission has enjoined the prayer for making the interim formal award in the light of the direction in the penultimate first paragraph of the Supreme Court's Judgement. So the Union wants this Tribunal to make first the interim formal award in the light of the decision and direction as given by the Supreme Court in the penultimate first paragraph and thereafter to make the final award on determination of the question with regard to the back wages to be obtained by the eligible workmen, in the light of the direction of the Hon'ble Supreme Court in the penultimate second paragraph.

14. Mr. Ghosh, the Learned Advocate for the Corporation and Mr. Chatterjee, the Learned Advocate for some of the workmen concerned appear to have understood the direction of the Hon'ble Supreme Court to the effect that his Tribunal is required to make one and single award and according to them the words "final award" in the penultimate second paragraph only qualify the words "formal award" as used in the penultimate first paragraph by the Hon'ble Supreme Court.

15. On a careful consideration of the submission of the Learned Lawyers on both sides and on due consideration of the Hon'ble Supreme Court's Judgement containing the concerned directions, I find substance in the submission as made by Mr. Mitra, the Learned Counsel for the Union to the effect that this Tribunal is required to make two awards. The abnormal delay in disposal of this reference on determination of all the questions involved in the industrial dispute has already deprived the workmen concerned of the benefit of the determination of the Hon'ble

Supreme Court with regard to their status as the workmen of the Corporation and their continuance in the employment under the Corporation and also with regard to their entitlement to all the rights, liabilities, obligations and duties as prescribed for the workmen by the Corporation. The determination of the dispute with regard to the back wages to be obtained by the eligible workmen on proper evidence and materials will no doubt take a further considerable time. It appears from the entire judgement of the Hon'ble Supreme Court that this fact of delay was in the mind of the Hon'ble Supreme Court while giving the direction in the penultimate paragraphs of their judgement and perhaps this is why the direction was given in the penultimate first paragraph to make the formal award in the light of the direction as given therein and the final award in the light of the direction in the penultimate second paragraph on determination of the question with regard to the back wages to be obtained by the eligible workmen. The use of the words "final award" in the penultimate second paragraph speaks volumes in this respect.

16. Mr. Ghosh, the Learned Advocate for the Corporation has however submitted that it is true that under the provisions of the Industrial Disputes Act, 1947, the award may be interim or final according to the definition of the award in the said Act but the Hon'ble Supreme Court in their directions have not used the words "interim award" in the penultimate first paragraph although they have used the words "final award" in the penultimate second paragraph. According to Mr. Ghosh, the Supreme Court therefore wants only one and single award which is the final award from this Tribunal and in that final award the direction as given in the penultimate first paragraph should be given the form of award by this Tribunal. I find it difficult to appreciate such submission of Mr. Ghosh. It is true that award as defined in section 2(b) of the Industrial Disputes Act, 1947 may be interim or final. The determination may be final or interim because there is scope for such determination even in the interim stage whilst the enquiry into the dispute is in progress. We find that in the present reference the dispute regarding the status of the workman and their entitlement to the rights and liabilities has already been determined by the Hon'ble Supreme Court pending determination of the question about the back wages to be obtained by the eligible workmen by this Tribunal and that the Hon'ble Supreme Court by their direction in the penultimate first paragraph has directed this Tribunal to make the formal award with regard to the status of the workmen concerned and their entitlement to the rights and liabilities etc. in the light of the direction in the said paragraph. The Hon'ble Supreme Court in their direction have not prohibited this Tribunal to make the formal award with regard to the award if the facts and circumstances of the case require the Tribunal to do so.

17. I have already stated that there has been inordinate delay in disposing of this case and there will be further delay because the question of back wages to be obtained by the eligible workmen would have to be determined by this Tribunal. The reference is pending from 1977. The Hon'ble Supreme Court by their judgement in 1985 gave the direction to make the formal award with regard to the status of the

workmen concerned and their entitlement to the rights and liabilities etc. It cannot be gain-said that the making of the interim award with regard to the status of the workmen concerned and their continuance in the employment under the Corporation with their corresponding rights and liabilities would surely benefit the workmen concerned from the date of making the award. It appears that for that end in view the Union has filed this application praying for the interim formal award in the light of the direction as given in the penultimate first paragraph of the Supreme Court's judgement. I am conscious of my limitations to make any interpretation of the direction given by the Hon'ble Supreme Court but as I am required to understand the implications of the directions given by the Hon'ble Supreme Court in their judgement and as I have been required by both parties to express my opinion with regard to the implications of the directions of the Hon'ble Supreme Court, I have been obliged to make the aforesaid observations, keeping in view the interest of the workmen concerned, the weaker section in the society.

18. In view of what has been stated and discussed above, before I go into the determination of the question with regard to the back wages to be obtained by the eligible workmen concerned on proper materials to be produced before this Tribunal, this Tribunal in deference to the direction of the Hon'ble Supreme Court in the penultimate first paragraph, makes the formal award as directed by the Hon'ble Supreme Court by way of interim award in the following manner.

19. The 464 workmen named and mentioned in the list annexed to the written statement of the workmen and referred to by the Hon'ble Supreme Court in their judgement in Civil Appeal No. 1055 (NL) of 1981, who had become the workmen of the Corporation continue to be the workmen employed by the Corporation and shall be entitled to all the rights, liabilities, obligations and duties as prescribed for the workmen by the Corporation.

This is my Interim Award.

SHORT RECITAL OF THE CASE

The President, T.C.M.L. Union (INTUC) vide his letter No. 12/57/85, dated 16-1-85 raised an Industrial Dispute over the alleged harassment and victimisation and non-payment of wages to Shri Banka Venkatamallu, Tyndal Supervisor, Boipalli No. 1 Incline of Bellampalli Division-II of S.C. Co. Ltd.

The dispute was seized in conciliation and was discussed with the parties on 1-2-1985 and on subsequent dates and finally, on 21-3-1985.

The case of the Union is that Shri Banka Venkatamallu is working as Tyndal Supervisor at Boipalli Mine from 1982. He used to receive instructions from the authorities for the works to be carried out by the tyndals. Since the authorities started growing grudge upon him, they on 6-8-84, forced him to perform works of tyndal against the normal practice, which was not Tyndal Supervisor's job. He was ordered to carry the pipes along with other tyndals and on his refusal to do so, he was ordered to sit idle on the surface, and the work was carried out by engaging a tyndal in his place, under the supervision of the Mining Sirdar or a fitter. In this way he was made to sit idle on 6-8-84, 13-8-84, 14-8-84; 16-8-84; 17-8-84; 29-8-84; 31-8-84 and 2-9-84 which amounts to harassment and victimisation. He should be treated as a Tyndal Supervisor and be paid wages for the above days.

The Management submitted that as per agreement with the Unions dated 28-9-1987, the Tyndal Supervisor forms part to Tyndal gang and as such the workman was required to work like other Tyndals which he refused and hence is not entitled for the wages for the days he refused to work as mentioned in the dispute.

The case was conciliated upon and the proceedings ended in failure. Subsequently, the Government of India has referred this issue for adjudication by the

Hon'ble Industrial Tribunal (Central), Hyderabad and numbered as I.D. No. 11 of 1987.

The Union and the Management have discussed this matter once again in the interest of industrial peace and harmonious relations and after prolonged discussions, it has been agreed as follows :—

Terms of Settlement

1. The Management agreed, as a special case, to consider the cause of Shri Banka Venkatamallu, Tyndal Supervisor, Boipalli No. 1 Incline and pay 8 days wages for the days i.e. for 6.8.84; 13.8.84; 14.8.84; 16.8.84; 17.8.84; 29.8.84; 31.8.84 and 2.9.84 on or before 10.8.87.
2. The Union agreed to honour the Memo. of Settlement dated 28.9.1987 followed by GM's Circular No. P.40/3514/2389, dated 30.9.78 (Item No. 5-B) that "Wherever Tyndals exist in the Mine, there shall be a Tyndal Supervisor in Cat-V who will form part of the gang and this will not, however, result in increase of manpower."
3. The Union also agreed that Shri Banka Venkatamallu, Tyndal Supervisor, Boipalli No. 1 Incline, who has been given Cat-V, in the gang Tyndals, for supervisory work, will work as a member of the team in the gang as per the agreement.
4. It is agreed that implementation report will be sent on or before 15th August, 1987.
5. It is agreed that the Union and the Management will file a compromise memo before the Industrial Tribunal (Central) Hyderabad to pass an award in I.D. No. 11/87 accordingly in view of this settlement.
